Town'*

*'So, another day's begun.
There are early risers

THE CHARLOTTE HARBOR ELEMENTARY SCHOOL was one of only three school buildings in the county for many years. It was sold by the school board in 1959 to become McLeod's Funeral home.

Those Were the Years

THE PUNTA GORDA HIGH SCHOOL BASKETBALL TEAM OF 1927 included FRONT ROW: Rupert Mauck, Bill Johns, N. H. McQueen, Carroll Lancaster; BACK ROW: C. G. Headley (Assistant Principal), Harold Harrison, Charles Van Vleck, Robert Rockwell, Goldie Schauburger, and Coach "Red" Crowder.

THE PRESENT MAINTENANCE BUILDING at one time served as the Charlotte High School Shop Building until a new department was constructed on the campus of Charlotte Junior High School.

IN 1959 FIREMEN UNSUCCESSFULLY BATTLED THE FLAMES that destroyed what was then the only Punta Gorda Elementary School.

Val,

You're a real sweet guy. It's
been swell having you as a
fellow bond member.

It was a wonderful summer
& I wish I could do anything I wouldn't
do. (I wish a last!)

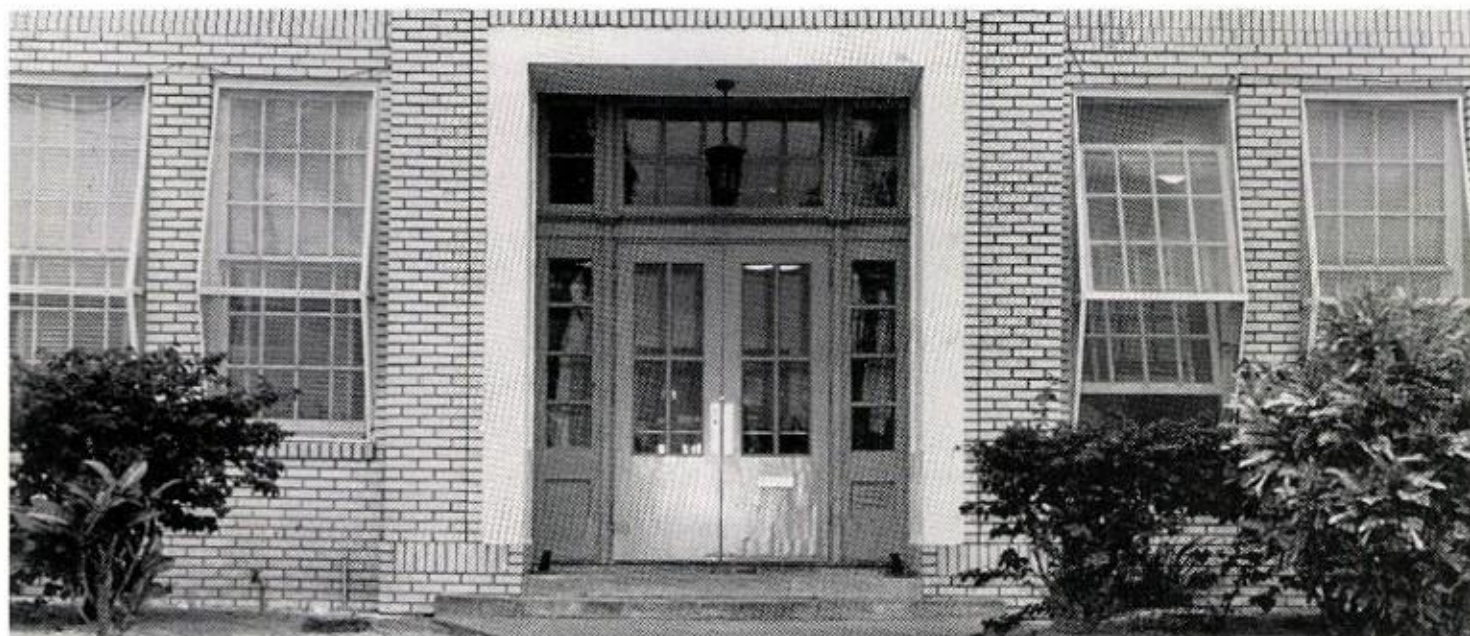

I'll see you in '61. Only I'll
be "over" you! I'll
be there.

Love ya,
John

STUDENTS OF CLASSES OF 1960 AND 1961 use the facilities of the Charlotte High School library, located on the third floor of the main building, before the space was converted into Mr. Overbey's and Miss Deaton's rooms in the summer of 1961.

BEFORE THE REMODELING OF THE FIRST FLOOR IN 1961, these doors served as the main entrance to the building but were closed to permit the space to be changed into the faculty lounge.

James Lawless

MR. HALL WHALEY, Finance Officer, discusses the school budget with his secretary, Glenda Parkman.

They Strive to Enlighten

MR. M. H. RUGGLES, Testing Co-ordinator, conducts the testing program for the county school system.

The County School Board, consisting of six elected conscientious community leaders, meet regularly to determine and adopt such policies as are deemed necessary by them for the efficient operation and general improvement of the county school system.

These busy members take time from their various occupations to plan the school program. They form a vital link between the community and the schools in formulating school policies, keeping the school provided with necessary equipment, and helping the school to run smoothly. All students owe sincerest thanks to these people who devote much of their time and energy to school management.

LUNCH SUPERVISOR, Mrs. Thelma Hall, has the task of planning the lunch program for Charlotte County schools.

Charlotte County's new Superintendent of Schools, Dr. Hugh Adams, assumed in January, 1965, the leadership of the county school system with professional aplomb and enthusiasm. Among the objectives in his program for quality education are the tasks of getting the county's secondary schools — Charlotte High School, Charlotte Junior High School, and the Lemon Bay School — back into the sunlight of accreditation.

Dr. Adams is unique among Florida's school superintendents in that he is a native son. Born in Punta Gorda in 1928, he was graduated from Charlotte High School in 1945. Upon graduation, he joined the Navy and during his career, was graduated from Officers' Training School. Following his Navy tour of duty, he returned to Florida State University as varsity assistant coach, receiving his master's degree in educational administration and supervision in 1962.

Dr. Adams was assistant dean of men and assistant professor of education at FSU when he was encouraged by the Charlotte County school board to seek the local superintendent's post.

Guidance

MR. DAVIS DISCUSSES the characteristics of various colleges with Jo Ann Smith as she selects the courses which will prepare her for advanced education.

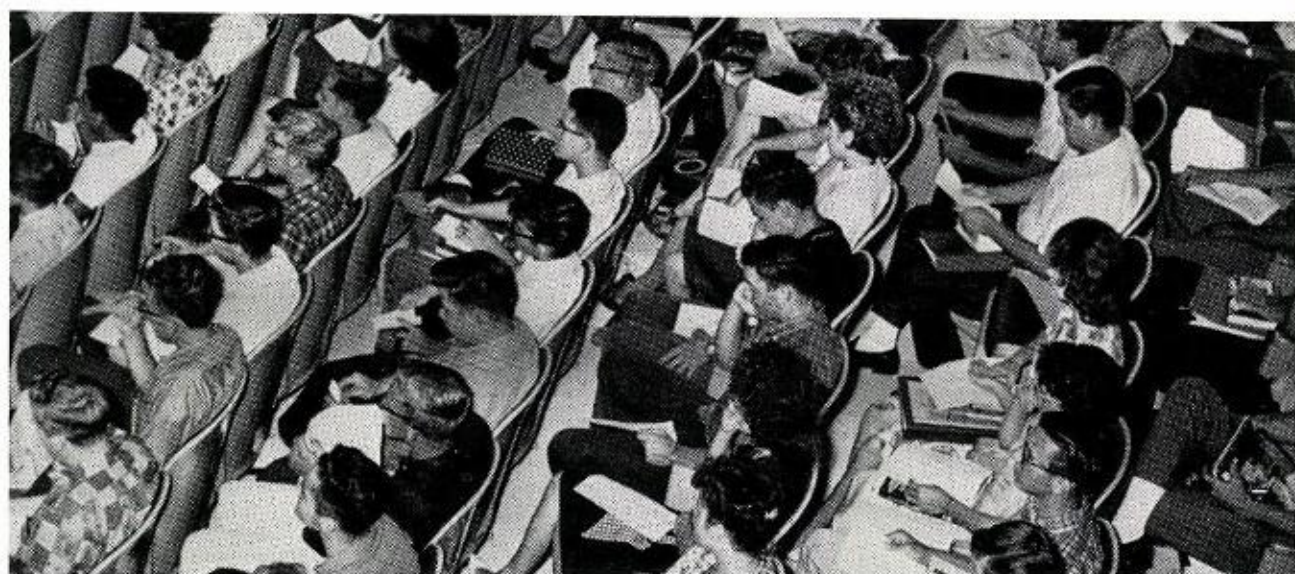

SARAH DRAPER finds the file of occupational pamphlets helpful in deciding upon the right future profession.

STUDENTS ARE TESTED and retested under supervision of our Guidance Counselor and Testing Administrator, Mr. J. Michael Davis.

Guidance is that aspect of educational endeavor which attempts to help individuals become well adjusted and capable of making intelligent plans for their futures. Guidance or pupil personnel services are a never-ending process which changes with every situation.

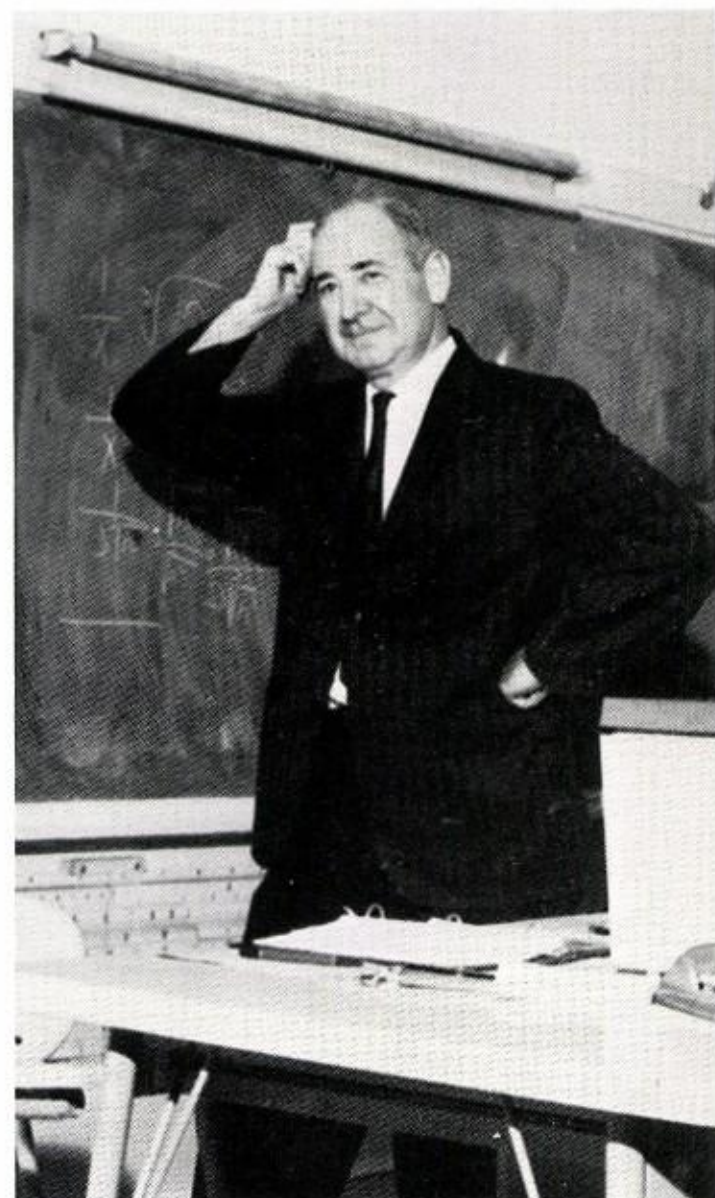

Many educators have a variety of guidance service philosophies, ranging from the exploration of students' deep emotional problems to handling attendance and discipline. The major role of the guidance department at Charlotte High is in the nature of *services* to the student, faculty, administration, family, and community. Counseling, placement and adjustment, pupil record services, informational services, testing program, and community resources are the six main services handled by Mr. Davis.

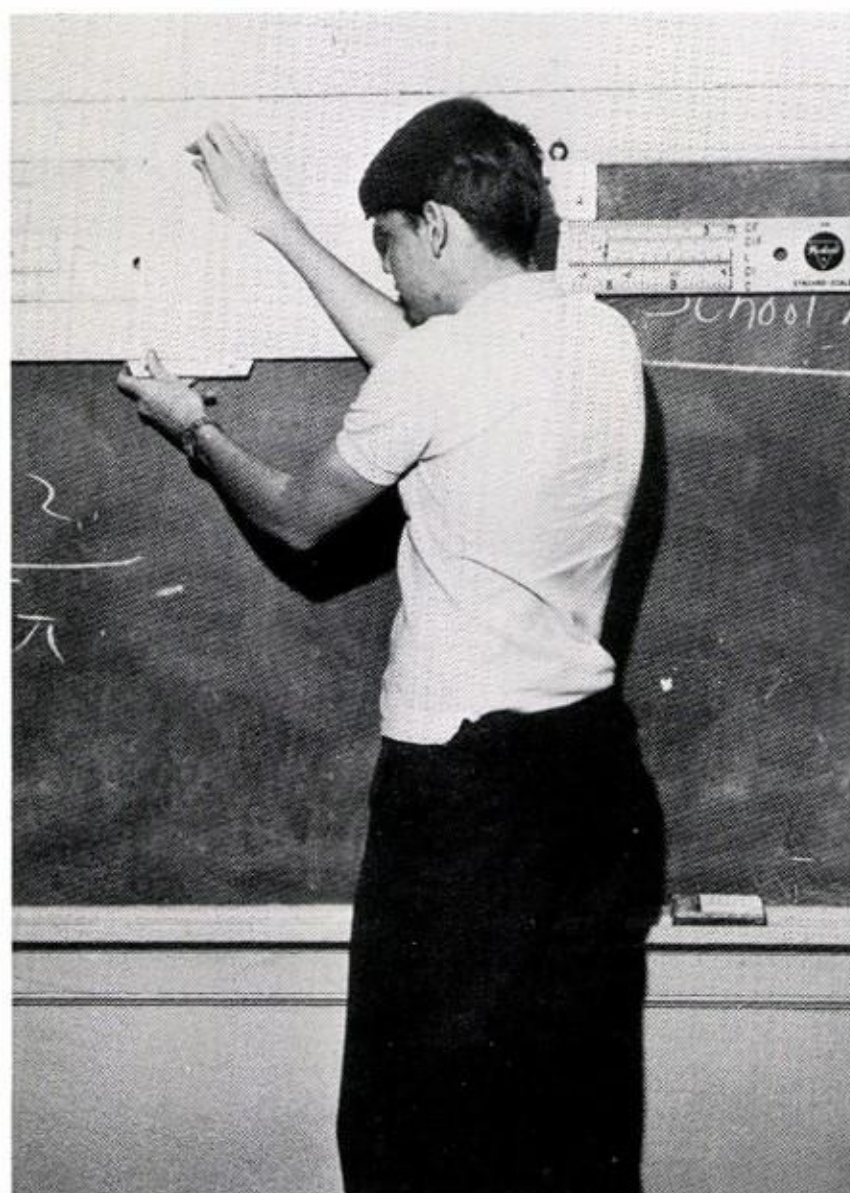

Mathematics

Mathematics is the mother of all sciences and is the base upon which other sciences build. The curriculum in mathematics offered at Charlotte High is designed to contribute to the common and specialized needs of the students. It includes concepts and processes of modern mathematics upon which technical and scientific progress depends. Stress is placed on developing (1) understanding, accuracy, and facility in the fundamental processes of computation; (2) ability to use the problem solving method in all situations; (3) and an understanding of the nature and structure of mathematics so that the student can apply it to entirely new areas.

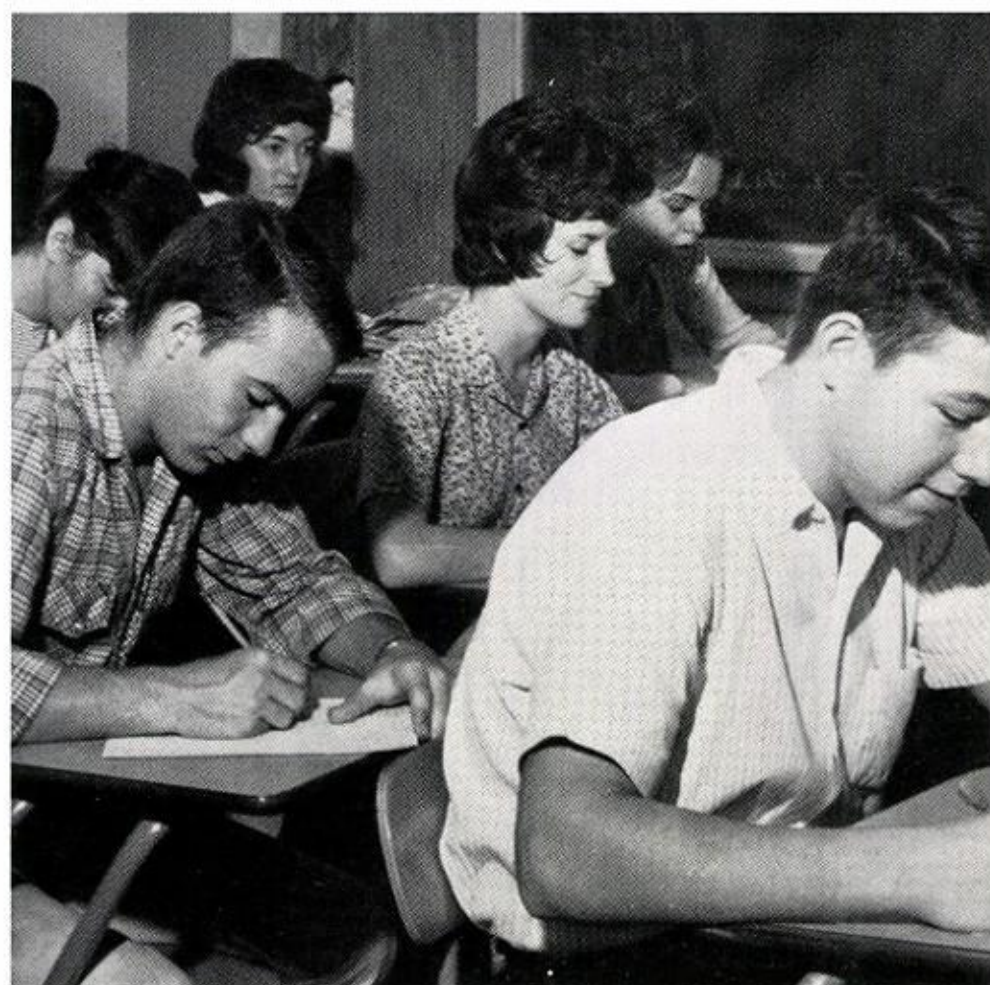

General mathematics and refresher mathematics are offered for students that plan to terminate their education upon graduation from high school. Courses for college-bound students are offered in the following order: Algebra I (contemporary), plane geometry, Algebra II (contemporary), trigonometry (one semester), solid and analytical geometry (one semester), and instruction in calculus is available for selected advanced students.

"I JUST KNEW THIS WASN'T MY DAY....!" smiles the patient Mr. Brock.

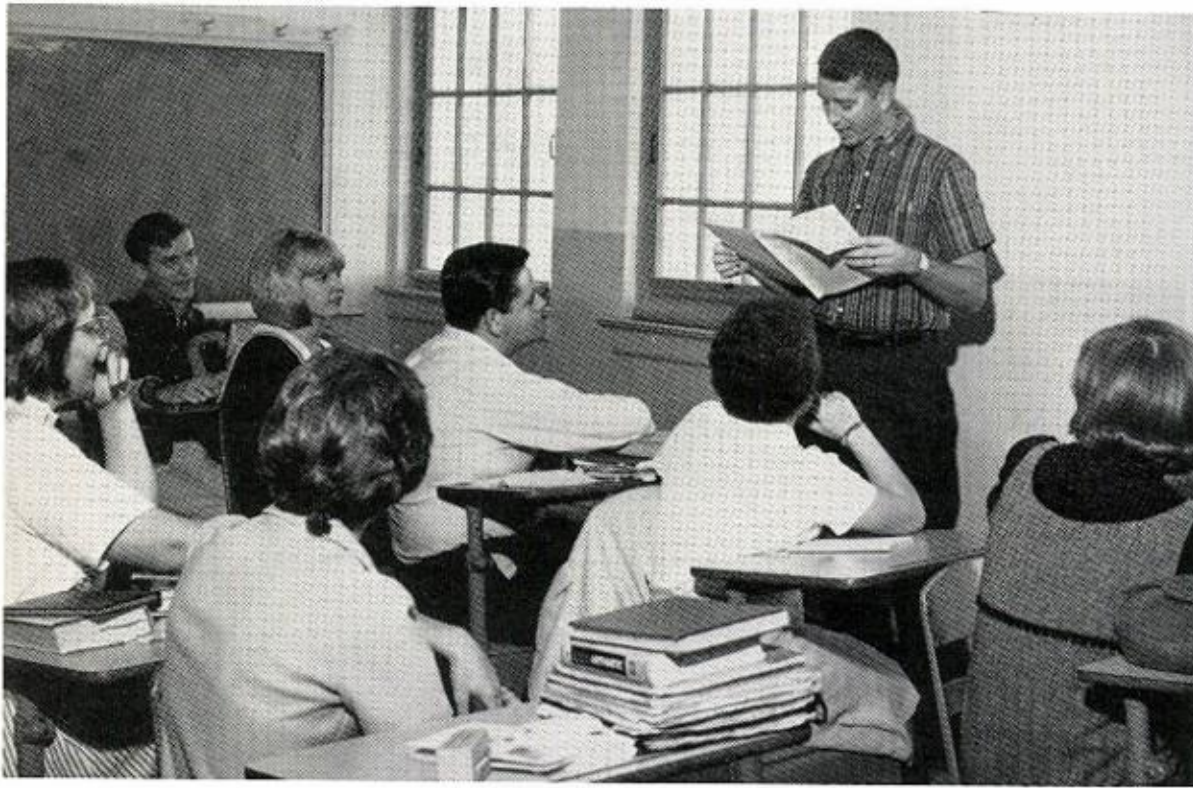

THE USEFULNESS OF THE SLIDE RULE is demonstrated by Dusty Farr as he quickly deciphers a complicated problem that would ordinarily have taken hours.

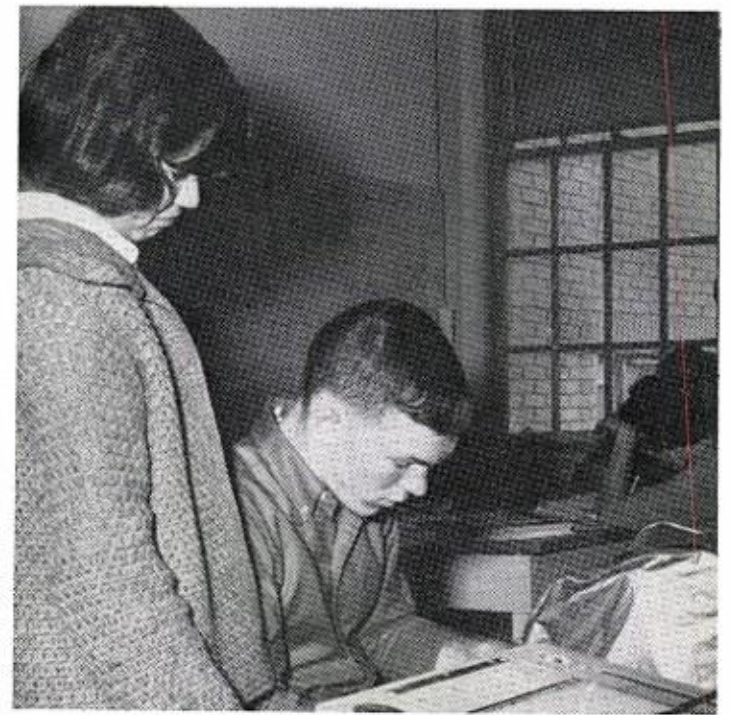

SENIORS NOT PLANNING TO GO to college find refresher math helpful.

Language Arts — English, Writing,

CREATIVE WRITING STUDENTS LISTEN CAREFULLY to Carol Allman's story, hoping to be able to detect flaws and lend constructive criticisms to improve their writing.

MIKE TREWORGY, "TARPON" SPORTS EDITOR, TACKLES the tedious job of cropping pictures as Sue Sykes supervises.

English Courses Emphasize Linguistic Skills

The English program consists of courses and activities designed to develop the skills of reading, writing, listening, and speaking which are of value to all students in their personal, social, and occupational life. This program stresses accuracy and comprehension in reading; clarity and fluency in speaking; and correctness, logical arrangement, and effectiveness in writing.

The student is offered a choice of taking the kind of English program best suited to his future plans: college preparatory, general curriculum, or business English. The six teachers in the English Department provide English classes for the entire student body.

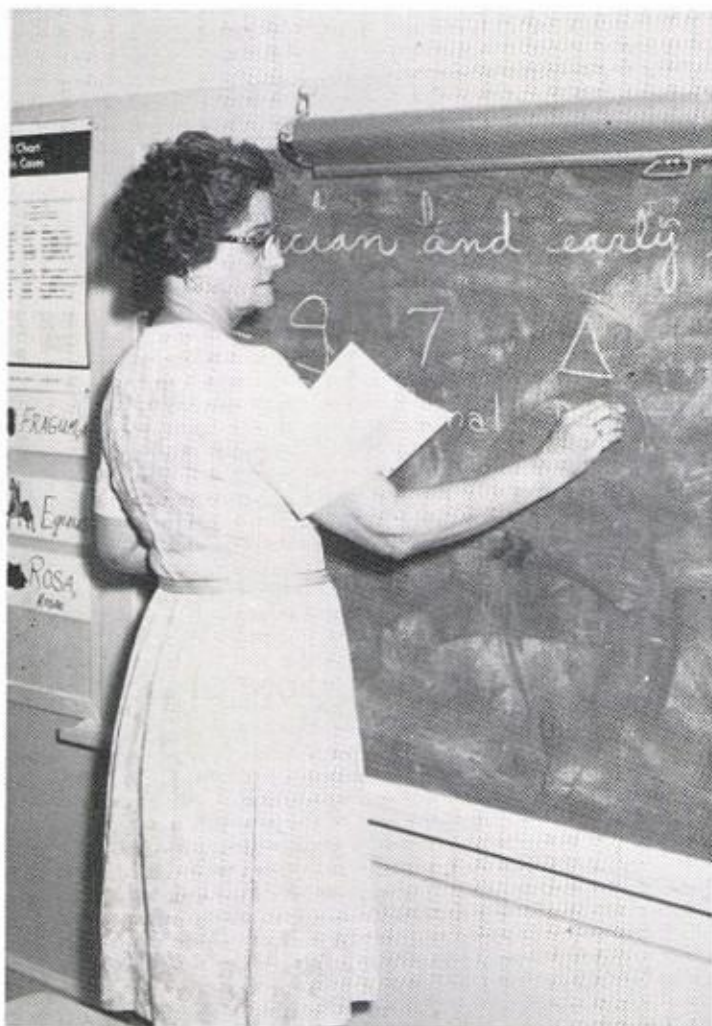

The English courses emphasize the language processes of democracy, such as group thinking and discussion; critical use of mass modes of communications; and the responsibilities which freedom of speech and press place upon speaker, writer, listener, and reader.

Creative Writing, offered to juniors and seniors for the first time this year, emphasizes many forms of writing—namely, poetry, short stories, character sketches, propaganda, and essays. Throughout the year students have submitted their work in literary contests for publication in student magazines.

TARPON CO-EDITOR, LYNN McKENZIE, AND BUSINESS MANAGER, JEANNE SCHUESZLER, WORK TOGETHER on layouts and body copy to achieve the best possible results for the 1965 yearbook.

Speech, and Journalism

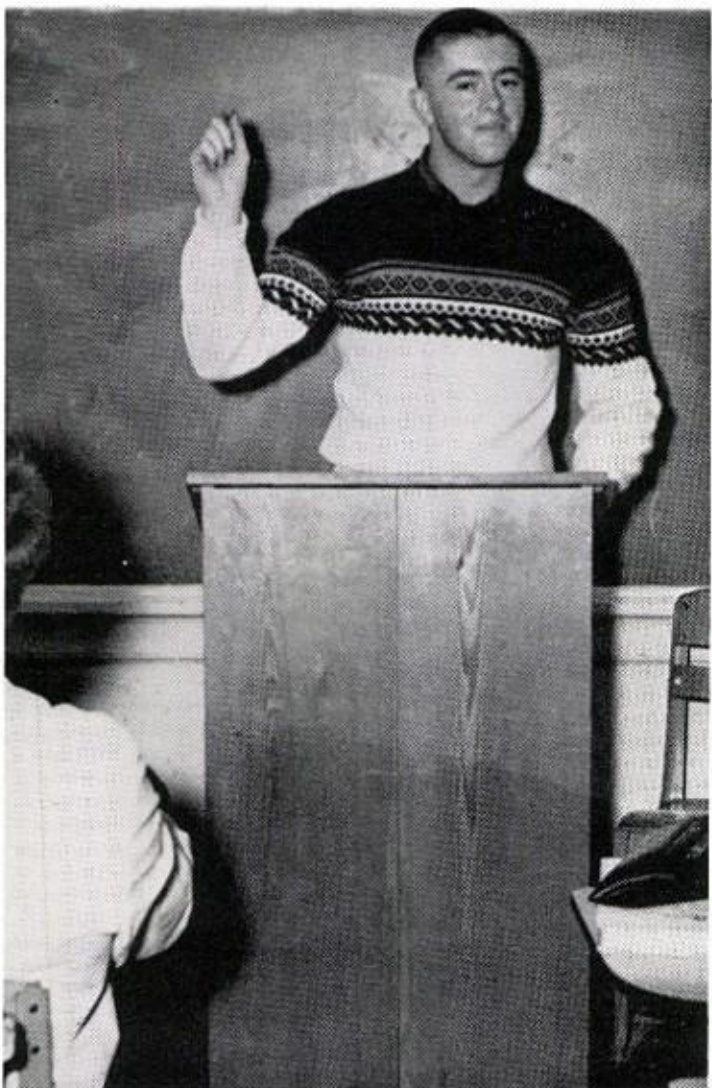

MRS. GREEN GIVES HER SENIORS a lesson in early Greek and Phoenician writing as they undertake a study of foreign countries and their cultures.

MRS. WEBB'S EIGHTH GRADE ENGLISH CLASS enjoys an informal and relaxed atmosphere.

To help students better appreciate the role that speech plays in their personal and social life; improve their ability in finding, organizing, and presenting worthwhile ideas; develop self-confidence and power in the use of the voice and body in everyday speech; and develop an awareness of the importance of good listening and promote the development and improvement of techniques of good listening are the main objectives of the speech department.

The yearbook has become an essential feature of the modern high school. When it is good, it generally carries out the following purposes: provides a happy memory book of the high school year for the average student; serves as an historical record of the school year; publicizes the work of the school; stimulates student interest in the school and increases student loyalty; supplies the basis for a highly educational student activity.

BILL BOYSEN GIVES AN ENTHUSIASTIC SPEECH, which not only provides interesting information to the listener but aids the speaker by giving him self-confidence and experience.

A WOMAN'S WORK IS NEVER DONE, and neither is a teacher's, as Miss Dobbs well knows.

Home Economics

The sound of young gentlemen's voices in the Modern Family Living classes is an innovation for the home economics department. For the first time in many years girls as well as boys are able to choose Modern Family Living as a senior elective. For some of the girls it is a real awakening to hear the boys' points of view in such areas as dating, courtship, and marriage.

The vocational home economics program is a vital part of a well-rounded educational curriculum for the purpose of strengthening the ideals, character, and skills necessary to the launching of a successful adult life.

The areas of instruction offered in Comprehensive Home Economics are home management and family finance; child development; personal, family, and social relations; clothing and textiles; housing and home furnishings; and food and nutrition.

CINDY WALKER WORKS INTENTLY TO FINISH HER HOME ECONOMICS PROJECT and do as neat a job as possible so that it will be suitable for street wear.

Industrial Arts

The industrial arts department now offers four subjects: woods, mechanical drawing, electricity-electronics, and power mechanics. In the woods class the student may make almost any wooden project that he desires. He must, however, make a drawing, materials sheet, and procedure for every project.

The mechanical drawing student draws orthographic projections, isometric drawings, sectional views, auxiliaries, and architectural drawings.

Electricity-electronics is an entirely new subject to industrial arts at Charlotte High. Here the student learns the theories of the electron, magnetism, and radio. He, also, studies Ohm's Law, Watt's Law, capacitance, inductance, electron tubes, and other helpful information. Upon completion of the course, the student will be able to build a small radio.

The power mechanics is an outgrowth of last year's auto mechanics. Here power is studied in general with the main emphasis on the internal combustion engine. Lawn mower engines are studied extensively. Automobiles are studied for one semester.

MECHANICAL DRAWING STUDENTS, RICK TREWORGY AND MIKE ARNOLD, LEARN TO DRAW orthographic projections, sectional views, auxiliaries, and isometric and architectural designs.

Business Education

The business education department has the obligation of preparing students for business activities which are common to all youth and adults. The study of business education helps the individual through meaningful experiences to improve his speech, reading and writing abilities, and also to improve his ability to handle numbers. It helps him to develop his character and to understand and accept his social and civic responsibilities.

Our business education department is designed to meet the needs of every student. The courses offered meet the general and vocational competencies. General Business, Typing I, bookkeeping, and Shorthand I are open to all students.

The advanced courses, Shorthand II, Typing II, and Office Practice are offered to those students who are interested in a business vocation.

THE STEADY CLATTER OF KEYS echoes throughout the third floor hall as typing students gain coordination, accuracy, and skill.

PUSH-UPS HELP DEVELOP STRONG BODIES so that the boys can better enjoy the other competitive sports in the advanced physical education program.

Physical Education

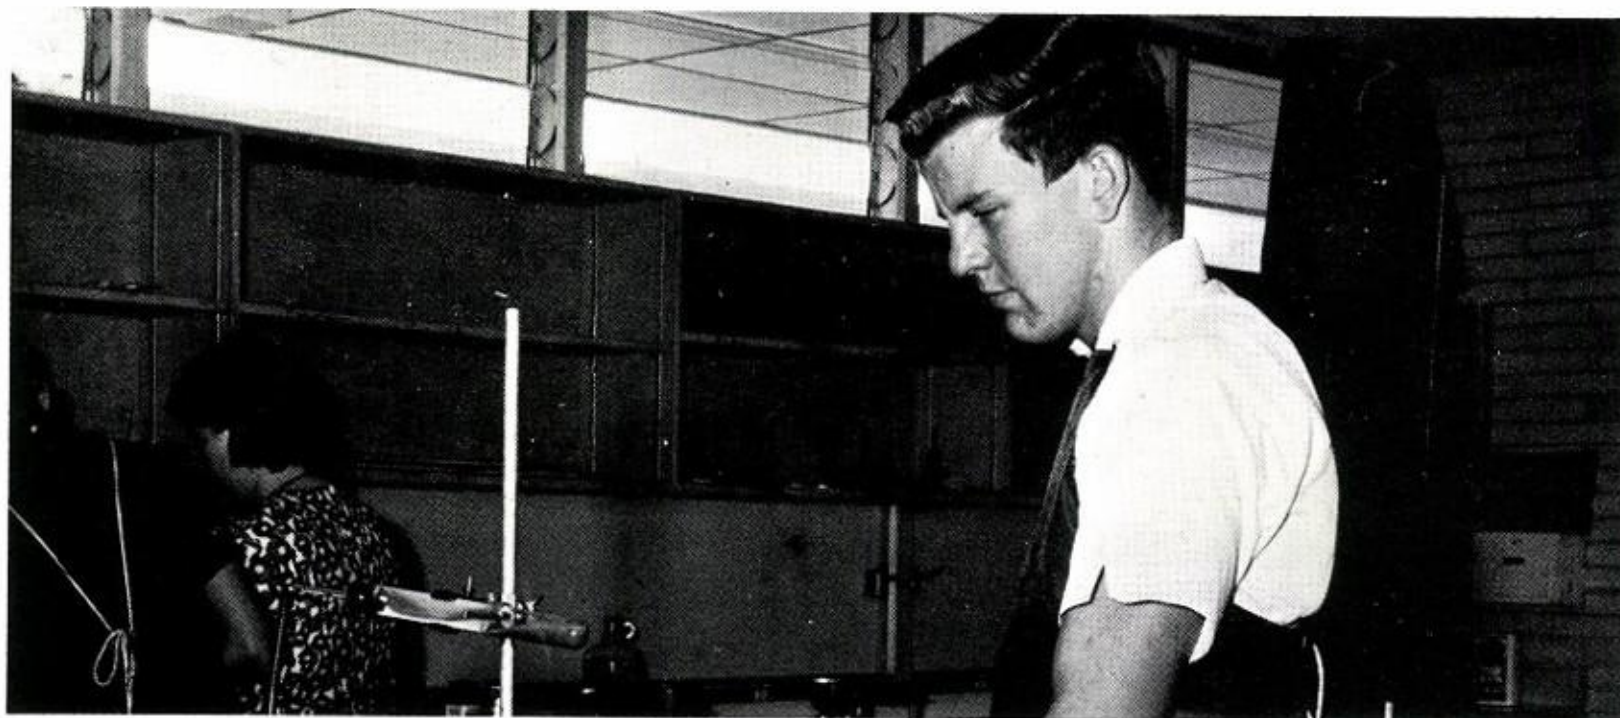

MISS BALDWIN JOINS HER CLASS in an exciting game.

The girls' physical education department added an advanced course this year for juniors and seniors interested in sports with carry-over value, two of which are tennis and golf.

The general classes have been introduced to a new game, Hurricane Nine, which is similar to touch football. It helped prepare the girls for the Powderpuff game and taught them to understand football. The other sports in the program are volleyball, soccer, basketball, softball, track, physical fitness, trampoline, and archery.

The physical education program for boys has undergone several changes in the past two years. More emphasis is being placed on individual sports with carry-over value for later life. The program is composed of touch football, golf, volleyball, basketball, track and field, gymnastics, and softball.

Science

CHEMISTRY STUDENTS LEARN the basic laboratory techniques and the use of equipment necessary in experimentation to discover the answers to many questions.

MRS. HARPER FINDS biology charts helpful in illustrating structures too small to be seen by the human eye.

THIS PHYSIOLOGY STUDENT LOST his head over the course.

Students at Charlotte High have the choice of many science courses, including Biology II and Science Health, which are offered for the first time this year. The curriculum is completed with Biology I, chemistry, physics, and physiology, giving the students the opportunity to investigate both natural and physical sciences. With this fairly wide range of courses, college-bound students can satisfactorily meet the requirements of the colleges of their choices.

Although the department is well-stocked, a new and better equipment is being considered for the future so that students will have a greater opportunity to satisfy their thirst for knowledge in the scientific field. Microbiology and bacteriology are two of the courses being considered. Many hours of hard work and research on the part of interested students are rewarded in the spring when various projects are displayed and judged by members of the math and science departments.

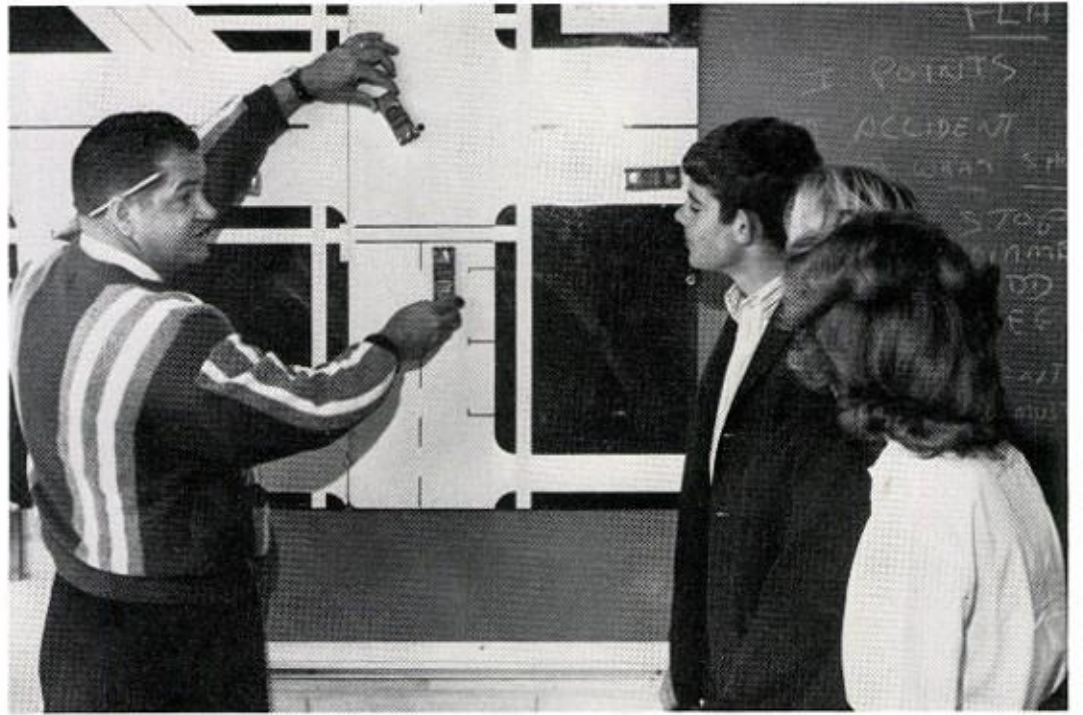

MR. SHAIN DISPLAYS to Ruben Roguera, an interested general science student, the proper way to prepare a butterfly for mounting.

Driver Education

GEORGE ROZELLE POSTS BULLETINS as a reminder to drive safely.

MR. GARBART EXPLAINS HOW TO AVOID ACCIDENTS to three interested students.

Once again Driver Education class proves to be one of the most popular courses in school. Because of this great demand, it is offered only to ninth grade students and in summer school for any high school students wishing to take it. With the increase of insurance rates it appears that even more students will be enrolling in Driver Education.

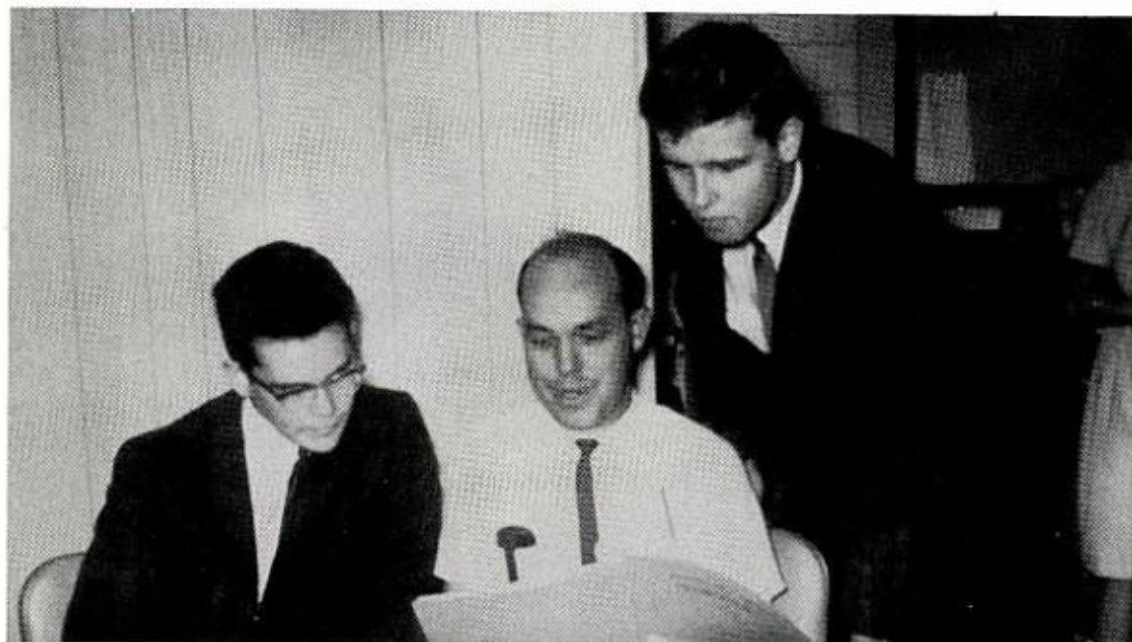

This year the classes held two assembly programs on safety for the benefit of the student body. One featured Chuck Stevenson, the Indianapolis 500 Safety Driver, who showed an interesting and helpful film, and the other was a safety talk by Sgt. W. Knudsen of the Florida Highway Patrol.

The year is divided so that a total of two thirds of the time is spent in the classroom acquiring knowledge of driving principles and regulations while one third is spent mastering driving skills.

OOPS !

Social Studies

MIKE JONES AND DAVID AMBERG LISTEN INTENTLY to Mr. Whaley's instructions as they participate in the annual student government day.

SUZANNE KUNKLE AWAITS HER TURN to voice an opinion.

The Social Studies Department is charged with the responsibility of transmitting the best of the present and past culture while preparing students to successfully grapple with new, unforeseeable challenges. This dual task is performed within the context of the public school as the general agent created to nurture the young for worthy citizenship.

As a democratic republic predicated upon enlightened, active citizenship, our society is studied as a dynamic social order requiring the constant reinterpretation and re-evaluation of the traditional values of our heritage. Tomorrow's citizen should be prepared to live in an age of progressively more rapid technological advance; he must learn to maintain emotional equilibrium amid the radical social change which always follows this technological progress.

The inevitable conflicts and confusion of values and values systems causing, and being caused by, social upheaval and conflict demand solution. It is the task of the social sciences of sociology, psychology, political science, economics, and anthropology to resolve such conflicts.

The responsibility of our Social Studies Department is to help students to understand the existence, nature, and implications of the sources of our difficulties in order to appreciate our heritage.

The implications of this philosophy make it apparent that a very heavy emphasis must be placed on critical thinking about important issues. This is especially true with the emergence of so many special interest groups on the local, national, and world scene. The thoughtful, orderly gathering, organization, and evaluation of available information is imperative. The skills of reading, listening, writing, and speaking are carefully developed through group and individual, formal and informal practice. A sense of the conditions under which developments occur is as vital as an understanding of their places and chronologies.

Education must be preparation for change, not transmission of static culture; education for change demands, individualized instruction in order to discover and develop weaknesses and strengths of each student.

"THIS IS CRASH .OVERBEY calling seat #1. Do you read me?"

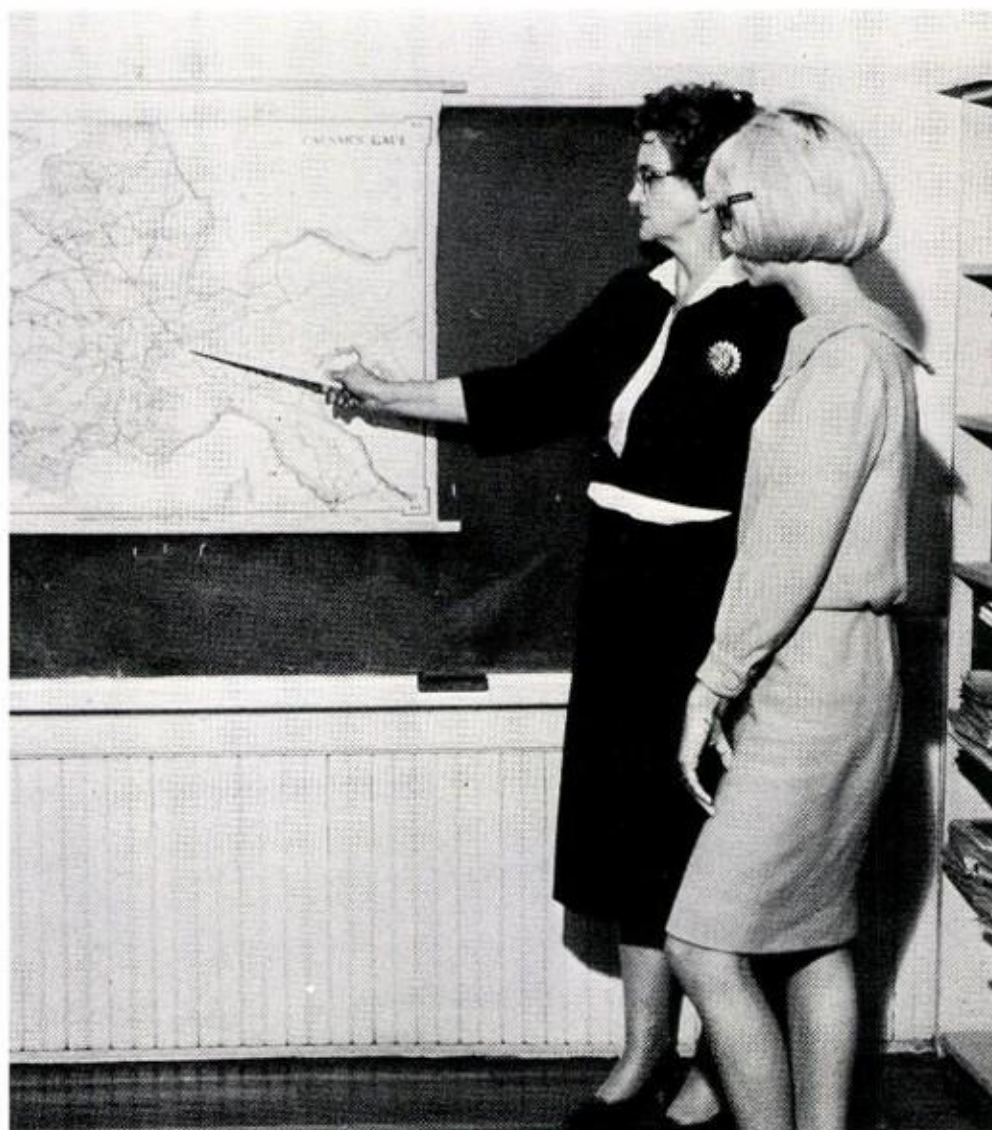

MR. MARTIN, SENIOR SOCIAL STUDIES TEACHER, POINTS OUT useful information to aid Jim Miller, Mike Arnold, and Tom Isherwood in writing their term papers.

Languages

Language, which is the basis of all culture and the means of communication among the races, is an important part of the school curriculum. A knowledge of another's language creates a better understanding of the person who speaks it. An ancient language provides the knowledge of the heritage and understanding of many cultures.

At Charlotte High both an ancient language and a modern one are taught. Since Latin returned to the curriculum in 1958, a steadily growing interest has been stimulated in this course. Spanish, the modern foreign language which is taught, introduced the audio-lingual method this year. This procedure should improve the pupils' conversational ability in this language.

Through the study of these two languages, the students develop an interest in the culture of a life foreign to them.

BILLIE JEAN SIMMONS DISCOVERS THAT LATIN II ENTAILS MORE than just grammar and vocabulary, as she and Mrs. Green discuss the location of an ancient Roman province.

Dramatics . . .

UNDER MR. BRUPBACHER'S DIRECTION, the senior high band and chorus strive for perfection.

YOUNG MUSICIAN, STEVE REILLY, BACKS UP THE JUNIOR HIGH BAND with a mighty big horn.

. . . Music . . . Art

The art curriculum is designed to acquaint students with the different media and elements of design. The various projects are planned to put these elements to use, allowing the students to acquire a greater understanding of their importance. A few of the projects are prospective, figure drawing, lettering, repeated design, and mosaics. Projects in crafts are included to give the students a well-rounded curriculum. A few of these are papier mache', wire sculpture, and woodcuts.

The music curriculum contributes to the educational needs of students through general music, specialized music, and extra class activities. The program is designed to develop appreciation, knowledge, and skills in all students commensurate with their interests, talent, and ability.

Dramatics, a creative elective added to the schedule of courses this year, was a boost to the already established educational theatre program. Students interested in stage craft, as well as acting, have been able to develop skills in areas of their own choosing and at the same time to see the overall picture of dramatic production. From scrubbing the paint off of last year's flats to building collapsible tables; from studying early Greek theatre to modern techniques, drama students experience the encompassing effect theatre has on all societies along the scale of history.

Educational theatre's aim is to present plays of every nature and style, pleasing the public being a secondary aim, as is raising money. In an area where there is no legitimate theatre, it has become the responsibility of the department to provide plays of high quality and of an experimental nature. Therefore the same style of play should not be repeated in a three year period, so that the student body, and public, will be exposed to a variety of types.

"OUT, O-U-T, O-U-T.....!!!!"

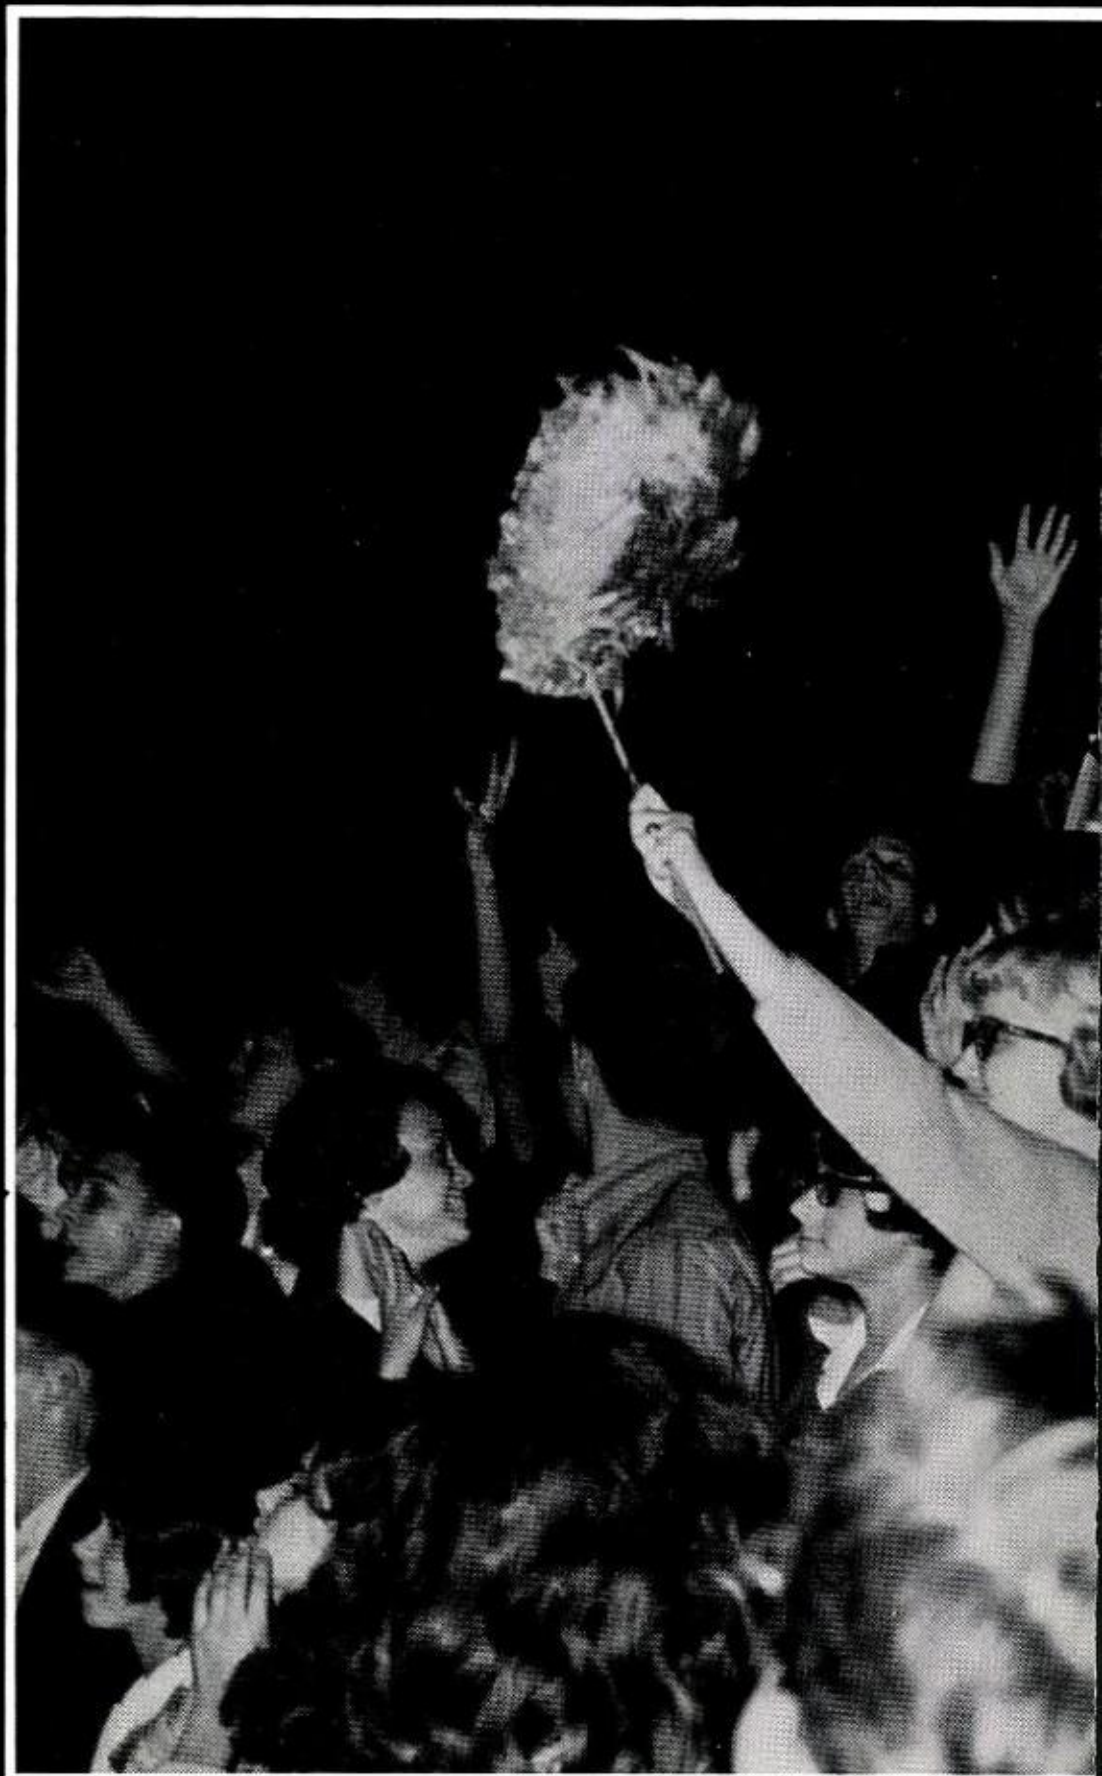

SINGING AS A GROUP provides entertainment and enjoyment for these junior high chorus students who find time away from their studies to get together.

Escorts are Lee Fugate, Larry Leonard, Mike Arnold, David Moore, David Amberg, Bill James, Richard Walker, Roger Niswander, Herbie Baerwaldt, Ski Hilenski, Richie Giles, and Ronnie Youmans.

Activities and Organizations

Donna McCullough
Miss C.H.S.

Adding to the tradition of Charlotte High School, the annual staff inaugurated a new feature, according an outstanding girl the honor of being Miss C.H.S. In order to select candidates for the contest, the staff allowed each club in school the privilege of submitting an entry on the basis of her scholarship, leadership, school spirit, character, service, and beauty. This activity was initiated to help annual subscriptions reach an all-time peak.

In September when the Miss C.H.S. Assembly was held, the candidates were introduced to the student body by

their campaign managers. At this time, Miss Ausley had "surprise" questions for the girls.

For the next few months, it was up to the girls to do their own campaigning. Finally in January, after much preparation, the coronation was held at a semi-formal dance. "Out of this World". At the final hour, Donna McCullough was given the title "Miss C.H.S. 1965", the first girl to receive this honor in the history of our school.

Student Congress

Student Congress is the only non-club organization in Charlotte High School. It is composed of representatives from each homeroom, club, and class in the school. Through the congress pass all student body business, ideas, and rules.

Besides dealing with student body business, the congress renders many services to the school. The Children's Clothing Drive, Homecoming, Orientation Day, and the Get Acquainted Dance are just a few of these. Two of the main programs, the school store and the lunchroom monitoring system, also come under the jurisdiction of the Student Congress.

By handling all these problems and projects the congress tries to develop new leadership for the school and the community.

Fourth row: Judy Tyner, Anne Humphrey, Claudette Pridgen, and Holly Conover.

Candy Stripers Render Services

The Para-Medical Club of Charlotte High School participated in the fund-raising campaigns of the County Tuberculosis Association, Cancer Society, and Crippled Children's Drive. Members also volunteered for work at St. Joseph's Hospital in Port Charlotte.

At the 1964 District "C" Convention in Sarasota, Rosemarie Agnoli was elected Vice-President, while Beth Jamison, having received the nomination for State Secretary, patiently awaited the state convention in Ocala to see whether or not she would be the fourth consecutive State Secretary from C. H. S.

Para-Meds assisted with all school immunizations. Informative speakers and movies from the local health department helped students decide on health careers.

THE OFFICERS OF LATIN CLUB ARE Consuls, Michelle Totten and Dave Amberg; Scriba, Patsy McDermott; Quaestor, Patience Smith; and the Senators are Judy Allgood, Louisa Hilenski, Carlos Gorostiaga, Dusty Farr, Tom Isherwood, and Jody Bicking.

For Latin students whose interests in the ancient language has not been limited to classroom studies, a Latin Club, known as Laeti Latini, was established in 1961. This club, not confining its interests to the language itself, also centers its purpose around knowledge of Roman life, history, and literature.

Striving to contribute to the school stature and spirit, Latin Club sponsored a number of projects. The major items undertaken were the homecoming float and the sale of year pins for all classes. For the Christmas festivities of C.H.S., Latin Club decorated the auditorium for the Senior High Chorus Concert.

Any student who wishes to increase his knowledge of the Latin language and Roman culture will benefit by joining the Latin Club.

Pep Squad Sponsors Zestful

Pep Squad is composed of a group of girls interested in promoting school spirit through cheering and various projects. To make money for these projects, members of Pep Squad sell blue and gold shakers and programs at home football games. Their biggest money-making project, sponsoring a Powder-Puff football game, earns the squad approximately four hundred dollars each year.

Pep Squad has many worthwhile projects which contribute greatly to Charlotte High—outfitting the cheerleaders in uniforms, the total cost of which is three hundred dollars; paying for the cheerleading pages in the annual; and supplying crepe paper, shakers, and anything else the cheerleaders need. Paying for the band bus to out-of-town football games and buying tennis equipment for the Girls' Physical Education Department are also activities of the organization.

Squad members may be recognized at any athletic event during the year by their blue and gold uniforms. The girls not only serve Charlotte High School through the many projects they undertake but they also contribute to school spirit by cheering the Tarpons on to victory.

Honor Society Members Maintain

Superior students receive recognition for their achievements academically by being tapped for membership in the National Honor Society, provided they possess qualities of leadership, character, and service. Membership is limited, however, to five per cent of the sophomores, ten per cent of the juniors, and fifteen per cent of the seniors. Selection of outstanding students is made by the faculty.

Three major projects of the society included the awarding of a \$150 scholarship to a deserving senior; the publication of the Student Directory as a school service; and assisting the guidance director in making a follow-up study of C.H.S. graduates for the past ten years.

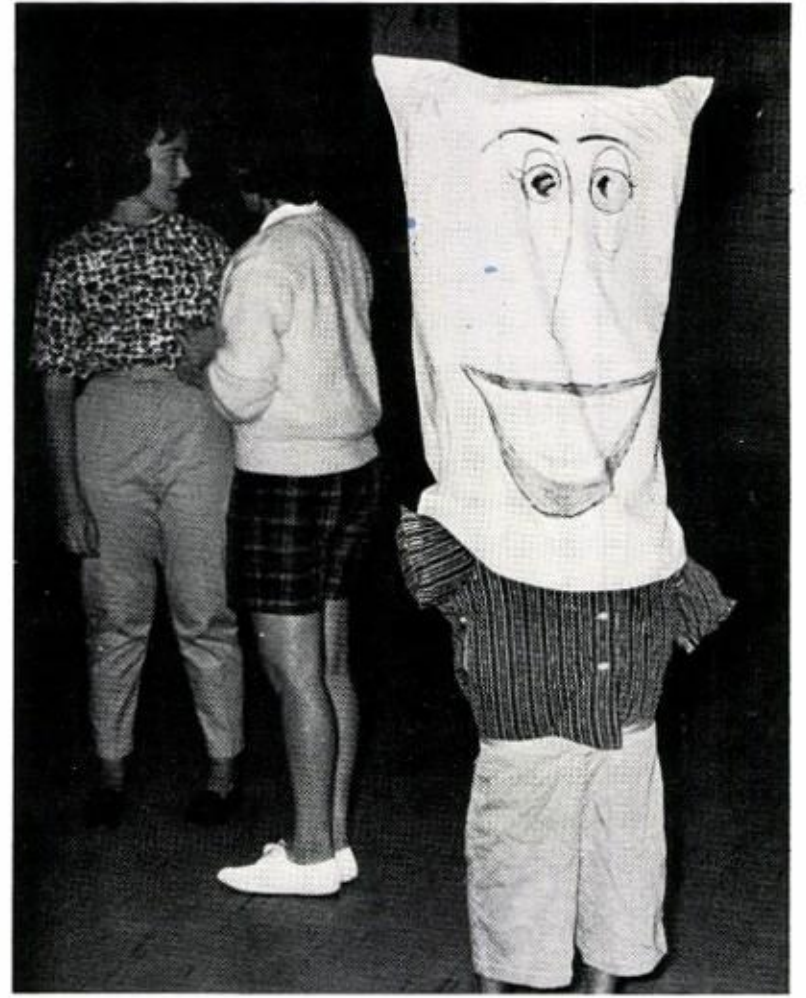

During the fall the members assisted with the mailing of TB Christmas seals. The "Moon Goon" dance, a successful financial undertaking, was another project in the fall. Booster ribbons were sold during the week of Homecoming; proceeds were added to the scholarship fund.

THE OFFICERS OF THE NATIONAL HONOR SOCIETY ARE Student Congress Representative, Christine Totten; Secretary, Sue Broderick; Treasurer, Sara Conklin; President, Linda Travers; Vice President, Pat Malone; and Historian; Teresa Horner.

Photographers Learn Techniques

THE OFFICERS OF THE PHOTOGRAPHY CLUB ARE Secretary, Marlene Robinson; President, Sharan Buxton; Vice President, John Roller; and Treasurer, David James.

Most of the activities of the Photography Club of Charlotte High School were centered around the development of the members' individual interests. The members learned how to use the cameras, including the club's Graflex, darkroom procedures and techniques. They also were successful in making contact prints, enlargements, and developing film. Stress was given to the over-all participation in the activities of the club so that all of the members could use the equipment and the facilities. Also, the members helped the annual staff by submitting candid shots of the Charlotte High School campus scenes and personalities. The club, sponsored by Mr. Harold Selley, is open to all students interested in the field of photography.

Thespians

Watch Your Cues

Troupe 922 of the National Thespian Society was granted a charter this spring for its seven charter members. Sponsored by Miss Ausley, the Troupe formed with three members holding star ratings. A non-secret, non-social organization, the society's aims are two-fold: to establish and advance standards of excellence in all phases of dramatic arts, and to create an active and intelligent interest in dramatic arts among students in all high schools.

Besides the one hundred hours required for membership, the work done must be outstanding and not for self glory. Recognition does not end with initiation into the Troupe. Thespians may earn as many as four stars and become Honor Thespians after contributing six hundred hours of work. After acceptance into the society, members are required to function as an inner circle of experienced crew heads or to assume roles in the plays.

All major productions of the dramatics department are now Thespian sponsored. Among the plans for the future are to assist other organizations with their programs and to sponsor assembly programs equal to the standards set for their plays.

Miss Jill Shafer was granted an honorary membership by the troupe for her work as Business Manager during *Bell, Book and Candle* and *Blithe Spirit*.

VIVIAN WILSON AND SARA BAKER, TWO CONSCIENTIOUS LIBRARY CLUB MEMBERS, take inventory for Mrs. Bernhardt.

MRS. BERNHARDT, HEAD LIBRARIAN, AND MISS GREENE, junior high school librarian, prepare to catalogue and shelve new books.

The library staff consists of girls and boys who are interested in library science as a career. They work one hour each day in the library aiding the students of Charlotte High School and Mrs. Bernhardt, the head librarian, with such tasks as shelving the books, patching and mending worn books, typing library cards, and signing passes. They also take charge of the library bulletin board. The workers find time in their busy schedule to attend the district meetings and state conventions.

The aims of the Library Club are to develop leadership and personality, as well as to give recognition to the students. The club attempts, also, to promote a better understanding of the library policies among the teachers, the student body, and the library personnel.

Quill and Scroll Inducts Eight

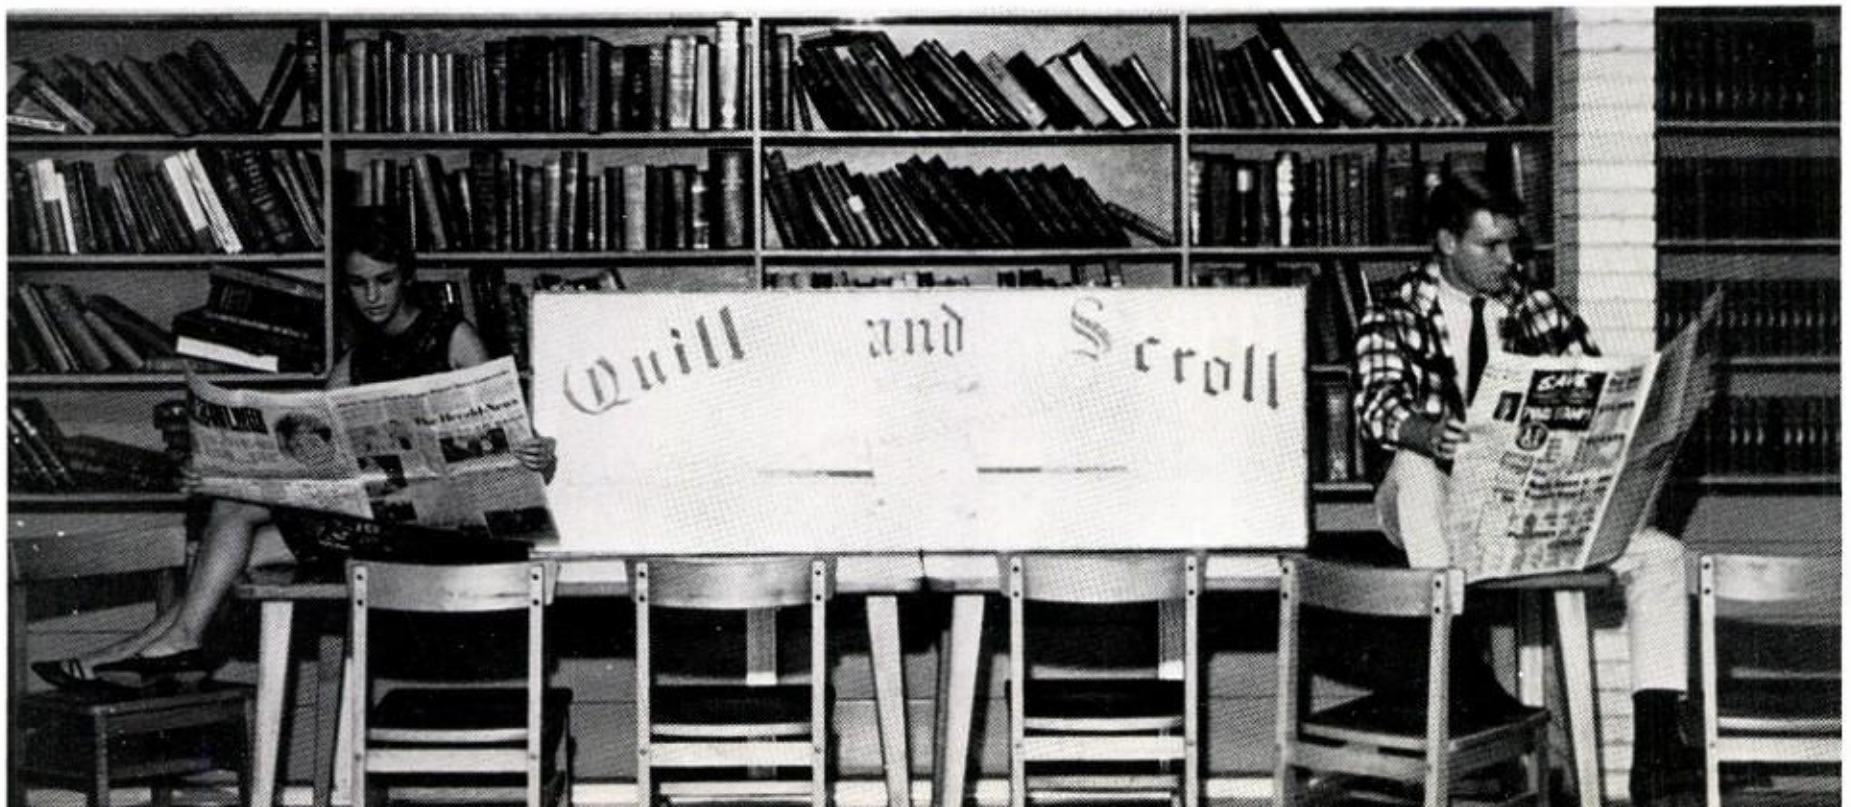

CHOSEN FOR THEIR OUTSTANDING WORK ON THE *TARPON* and their grade averages of 2.5 in all subjects, eight students were granted membership into Quill and Scroll. Pictures and layouts are part of yearbook planning done by (top left) Billie Jean Simmons, Editor Beth Jamison, and Judy Pandolf. Judy Allgood (top center) found the faculty section a full time job. Trying to please all organizations and teachers, Editor Lynn McKenzie and Jeanne Schueszler (top right) carefully check copy. Sue Sykes (bottom left) beams as she puts the finishing touches on the senior section, while Sharan Buxton (bottom right) studies the endless list for the index.

BILL JAMES ESCORTED SALLY URANKAR, Quill and Scroll's candidate and second runner-up for the Miss C. H. S. title.

BUSINESS HAS BEEN SLOW, but that never dampened the spirits of news-conscious Sally Urankar and Lee Fugate, who through no fault of their own, found themselves the only members of the Quill and Scroll for most of the year.

THE MEMBERS OF THE FUTURE HOMEMAKERS OF AMERICA ARE (first row) Christine Totten, Kathy Oaks, Linda Wilson, Teresa Horner; (second row) Frances Mercer, Linda Vickers, Sylvia Newsome, Jackie Kemp, Tweenar Wolfram, Janie Felix, Sonja Thomas, Gail Gaskill, and Ann Clancey.

Future Homemakers Enjoy "Family Night"

The projects on the calendar of the Future Homemakers of America have been worthwhile and numerous. The F.H.A. attended the District VII meeting in Lakeland in November, enjoyed a cookout in December, had a "Family Night of Fun" for the members and their parents, presented an assembly program in March on "Designs for Living," and attended the State Convention in April. These activities fit into the National Future Homemaker's program.

Another major project has been participation in achieving state and national goals of the club. Some of the goals are the following: "You and Your Values," "Action for Citizenship," and "Stay in School," the latter project designed to prevent high school dropouts. The main money-raising project has been the sale of the "Famous Recipe Cookbook."

THE OFFICERS OF THE FUTURE HOMEMAKERS OF AMERICA ARE Linda Wilson, Vice President; Teresa Horner, Treasurer; Kathy Oaks, President; and Christine Totten, Secretary.

"A WATCHED POT NEVER BOILS," remarks these conscientious F. H. A. members.

BUNK HINDMAN, MIKE ARNOLD, DAVE FUNK, AND RON PRESSLEY look hopefully at the "Scholar-Athlete" Award.

MISS CHARLOTTE HIGH CANDIDATE, Donna McCullough, poses with escort, David Amberg.

THE OFFICERS OF BLOCK "C" ARE Treasurer, Donna McCullough; Secretary, Linda Johnson; President, Tom Isherwood; Student Congress Representative, Bunk Hindman; and Vice President, Sherrlyn Mitchell.

The Charlotte High School Block "C" is an organization for varsity letter winners in any sport. The objectives of the club include promoting school spirit, encouraging scholarship in the athletic program, and gaining the respect of our school and our community for the athletic department of Charlotte High School. The "Annual Scholar-Athlete" Award is the project of which the club is the proudest. This award singles out the leader in athletic participation and scholastic grade average. The award is weighted equally on participation in athletics and point value of all grades for the final two and one half years of high school.

Another new project of Block "C" is the painting of the "Fighting Tarpon" emblem on the locker room door. The emblem denotes the spirit of Charlotte High School.

Block "C" Promotes School Spirit

THE MEMBERS OF BLOCK "C" ARE Donna McCullough, Carl Racioppi, Tom Isherwood, Ron Pressley, Mike Arnold, Ski Hilenski, Pam Morris; SECOND ROW: Mary Beth King, Sherrlyn Mitchell, Ron Thompson, Bruce Smith, Jack Tinline, Bob King, Linda Johnson; THIRD ROW: Mike Treworgy, Bunk Hindman, Jerry Pabon, Chuck Field, Dave Funk, Ron Middleton, and Jackie Rigg.

CO-EDITOR, Lynn McKenzie, endeavors to complete the organizations section of the annual.

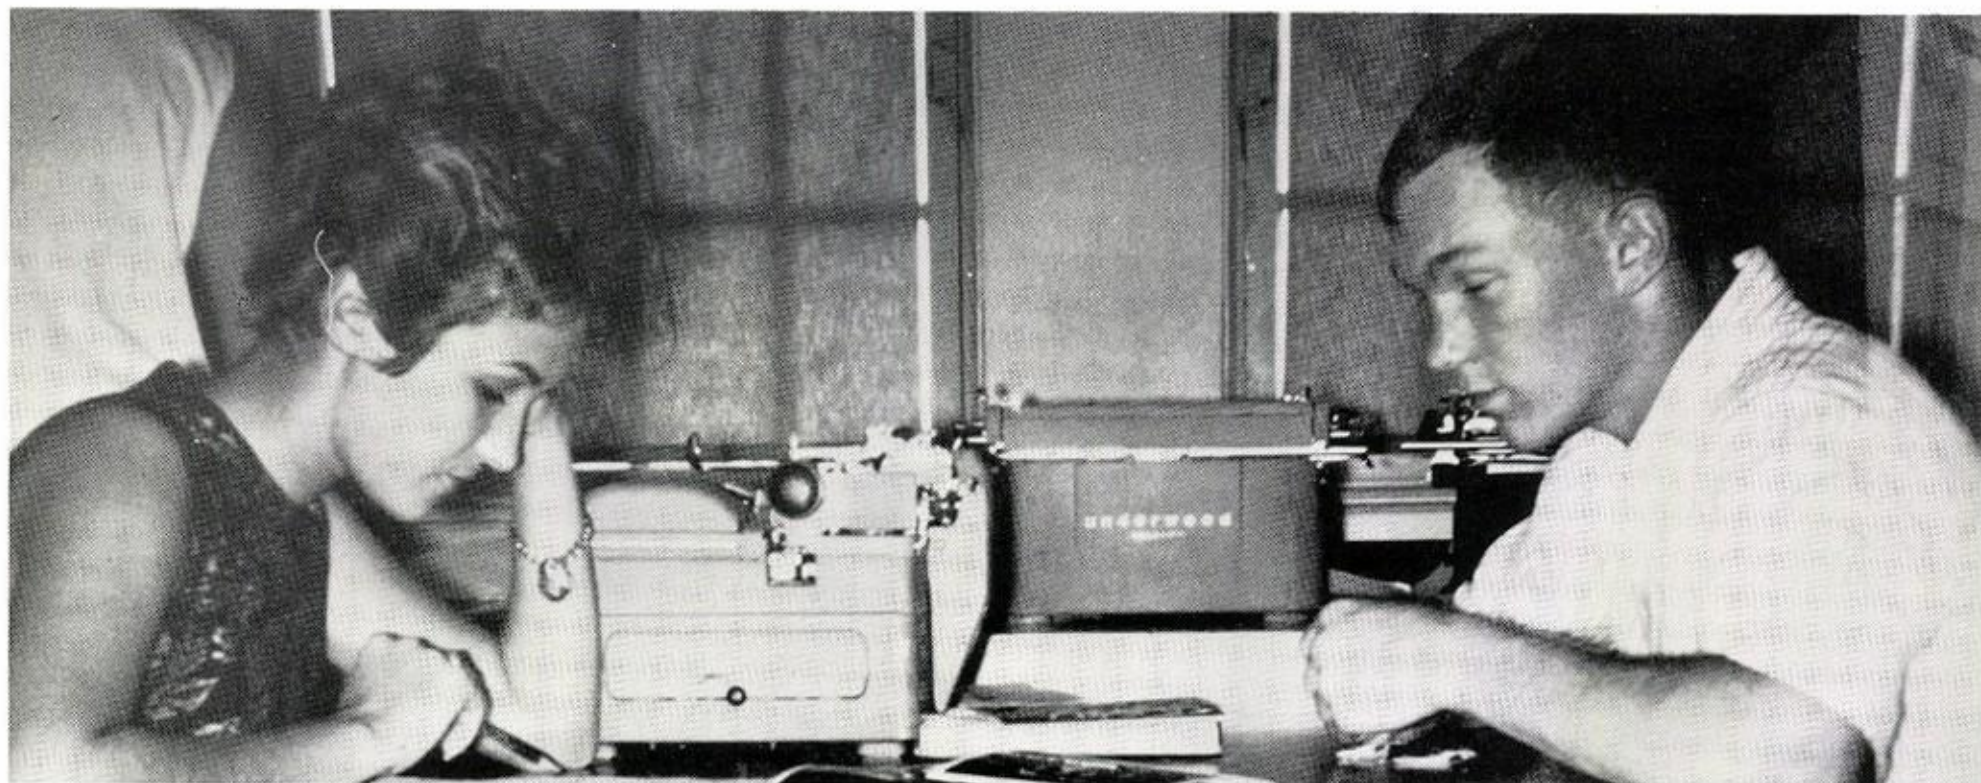

As the 2:30 p.m. bell of seventh period rang, thirteen faithful, sometimes very bewildered Tarpon staff members slowly drifted into the staff rooms. Their understanding advisors, Miss Stevelyn Ausley and Mrs. Elsie Kinsey, often gave pep talks to boost them through the long hours of work that awaited them.

When seventh period came to a close, the ringing of the typewriters ceased, cameras closed their shutters, and the staff members hurried home, relieved that a few more pages were finished on time.

"ALL RIGHT, GANG! It's time to clean-up," boldly speaks Mike Treworgy, the lone boy on the TARPON yearbook staff.

Tarpon Staff Launches New Contest

"SOMBER SAL" URANKAR AND MIKE TREWORGY, SPORTS EDITORS, ponder laboriously over their layouts.

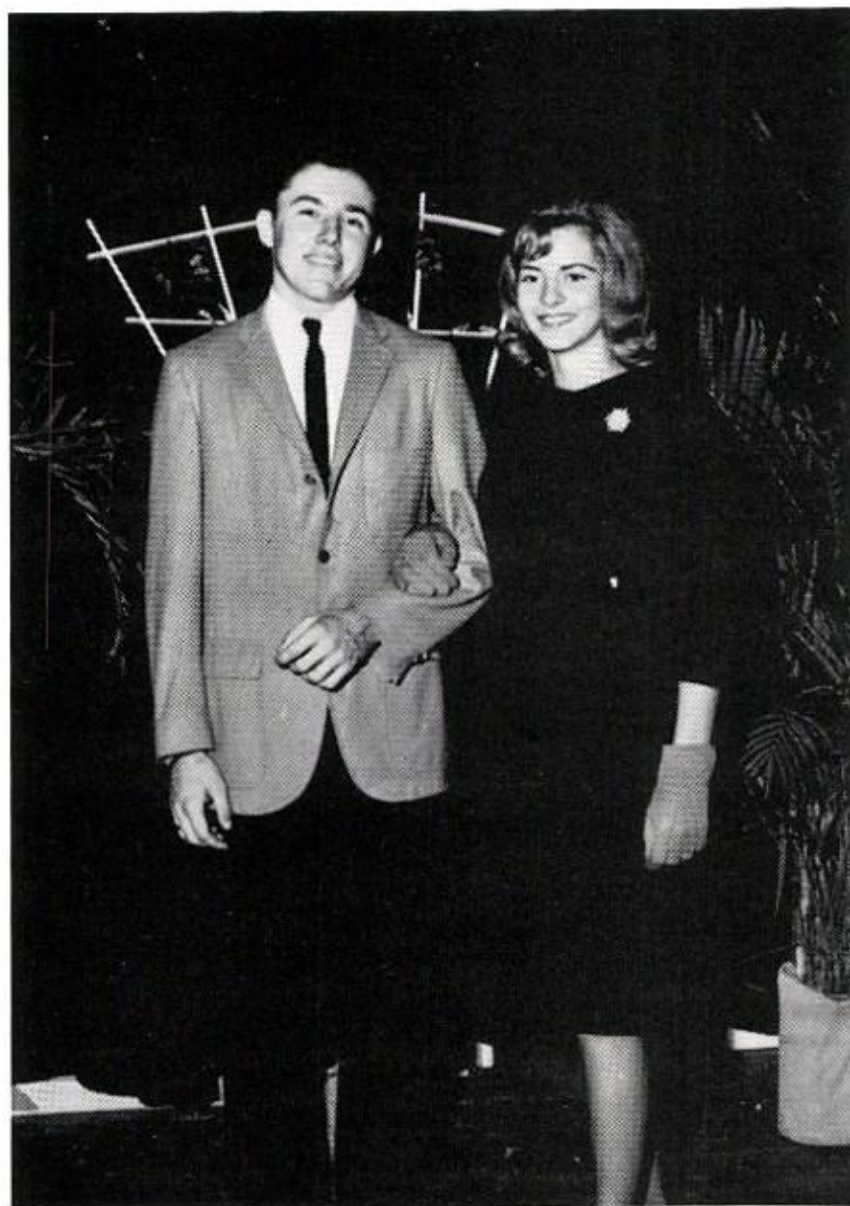

CROPPING PICTURES, WRITING AND FITTING CAPTIONS, headlines, and copy, planning layouts, selling business ads and subscriptions are only a part of the daily schedule for each of the conscientious members of the Charlotte High Tarpon Staff. FRONT ROW SEATED: Sue Sykes, Brenda Isaacs, and Billie Jean Simmons; BACK ROW: Beth Jamison, Sharan Buxton, Lynn McKenzie, Sally Urankar, Judy Allgood, Mike Treworgy, Sandy Schebel, and Margie Belfi.

The staff worked long and diligently in publishing the 1965 TARPON. The activities were numerous, requiring many hours of selling advertisements for and subscriptions to the yearbook.

To boost the subscription campaign, the staff initiated the Miss Charlotte High contest to select a girl representing one of the organizations as Miss Charlotte High of 1965. A Miss C.H.S. Dance was held in January to crown Miss Donna McCullough, the first Miss Charlotte High. Early subscribers were given two votes, instead of the usual one, and free admission to the dance.

TWO STAFF MEMBERS, JEANNE SCHUESZLER AND JUDY PANDOLF, go over ad pages even though other classwork beckons.

MISS CHARLOTTE HIGH CANDIDATE, Sharan Buxton, poses with her escort, Mike Arnold.

Advanced Chorus concentrates its efforts on building a repertoire of songs for concerts and for future study and enjoyment. To be accepted into Advanced Chorus, a student must try out and possess a good knowledge of the art of music.

Members of the Ensemble are selected from Advanced Chorus for their superior talent. To be chosen for this group is a great honor, because only two first sopranos, two second sopranos, two altos, two tenors, and two basses are chosen. The Ensemble meets every Wednesday night to prepare music for presentation at various civic and community activities.

MISS C. H. S. CANDIDATE from Chorus, Miss Pat Malone, poses with escort David Amberg.

MEMBERS OF ADVANCED CHORUS are Minnie Powell, Betsy Cunningham, Barbara Sloat, Nancy Neal, Sharon Norton; SECOND ROW: Cynthia Glatky, Martha Dobbins, Jackie Hunter, Carol Midgett, Charlotte Martin, Susan Cooper; THIRD ROW: Dale Drumheiser, Larry Landry, Tom Stookey, David Cooper, David Amberg, and Ralph Gudbaur.

It's Quality, Not Quantity

HEAD MAJORETTE, Lee Ann Hickox, adds zest and color to the many band performances given by the "Silver King" Tarpon Band.

DEMONSTRATING THEIR TALENT AND DEXTERITY are majorettes Jackie Hunter, Regina Nardi, and Joyce Skotko.

LOW BRASS—FRONT: Lynn Heard; SECOND ROW: Ronnie Youmans, John Skotko, and Roger Hettema; BACK ROW: Stephen Lee, Russell Taylor, Sara Conklin, Ricky Hutchens, Margaret King, and Nolen Ward.

TRUMPETS—LEFT TO RIGHT: Dale Drumheiser, Mike Fruzan, Ken Moffatt, Darrell Hardy, Mike Jeffries, Carl Brupbacher, and Dee Hockaday.

The Charlotte High School "Silver King" Band promotes a vibrant spirit in Charlotte students as it plays for assemblies, pep rallies, and football games.

Practice sessions, held daily during the seventh period, give band members, under the direction of Mr. Carl Brupbacher, an average of ten hours work for which they receive one credit per year. During these sessions they perfect popular and symphonic pieces as well as their parade ground drills.

In addition to the appearances named above, the

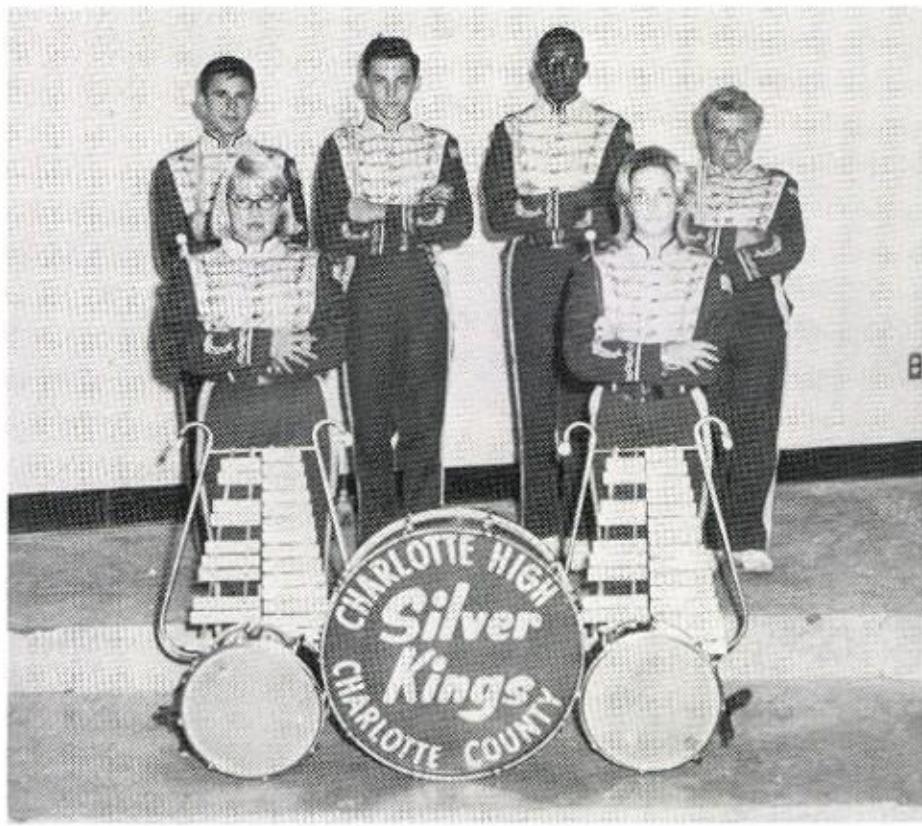

band participates in concerts, parades, and festivals, receiving compliments and honors which give credit to their expert direction.

Leading the band in parades and in ceremonies, Lee Ann Hickox, (Head Majorette) worked with Joyce Skotko, Regina Nardi, and Jackie Hunter (the other majorettes) to make their parade routines flawless.

Having finished a successful year, the band and their director look forward to an even more rewarding 1966.

PERCUSSION—FRONT ROW: Rosemarie Agnoli, and Lee Ann Hickox; BACK ROW: Dan Glavas, Charles Roadman, Jolivet Thomas, and Ann Clancey.

Kiwanis Honors C.H.S. Students

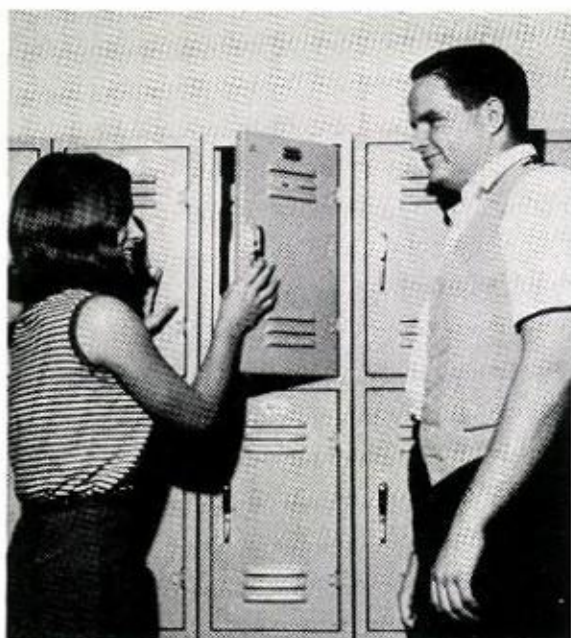

BOYS AND GIRLS OF THE MONTH of September through February are (FIRST ROW) Jim Eaton, Jenny Johnstone, Pam Sheffield, Candy Smith; (SECOND ROW) Annie Fuller, Regina Nardi, Donna McCullough; (THIRD ROW) Tom Isherwood, Arthur Farkas, Dave Best, Bruce Armstrong, and Carlos Gorostiaga.

The Boy and Girl of the Month program had its beginning at Charlotte High three years ago when The Port Charlotte Kiwanis Club, through its educational and vocational committee, wished to honor a boy and girl each month.

Students are elected as candidates in their homeroom sections and are considered on the basis of scholarship, citizenship, service, and participation in community affairs. The candidates' names are then submitted to a faculty reviewing committee who make the final selection.

One boy and one girl are chosen monthly. They attend a Kiwanis luncheon every third month accompanied by a faculty department head who speaks on his phase of the curriculum. Thus the program is a link between the school and community.

RENEWING FRIENDSHIPS after the long summer months are the boy and girl of the month of September, Annie Fuller and Tom Isherwood.

OCTOBER'S BOY AND GIRL OF THE MONTH, Candy Smith and Bruce Armstrong, revel in Halloween Pranks.

PAM SHEFFIELD AND JIM EATON, boy and girl of the month of November, display school spirit during the football season.

REGINA NARDI AND DAVID BEST, boy and girl of the month of December, hold a package depicting the season.

ARTHUR FARKAS AND JENNY JOHNSTONE, boy and girl of the month of January, carry the many books they must study for semester exams.

FEBRUARY'S BOY AND GIRL OF THE MONTH, Carlos Gorostiaga and Donna McCullough, smile shyly about the valentines they are about to receive.

Future Teachers Practice to Learn

The purpose of the Future Teachers of America is to arouse educational interest in qualified students. Both the advantages and disadvantages of the teaching profession are considered. Discussions on related careers are frequent.

The Future Teachers make opportunities for service in the school by assisting teachers, grading papers, and helping in the elementary schools.

During National Education Week the faculties and administrators in all the county schools were honored by the F.T.A. with cake, coffee, and flower arrangements.

Fun and experience came through operating the concession stand at the Powder Puff football game. Profits will be added to a scholarship for a future teacher.

Future Teachers realize that building a solid foundation is important not only to their careers but also to the lives of students whom they might influence in the future.

OFFICERS OF FUTURE TEACHERS are Nita Appleby, Brenda Stegall, Richard McConnell, Linda Bateman, Chris Mordo, Suzanne Kunkle, and Gertha Haddock.

MEMBERS OF FUTURE TEACHERS are Pam Hutchens, Carmen Moore, Sharon Mitchell, Marlene Evans, Suzanne Kunkle, Linda Bateman, Christine Mordo, Gertha Haddock; Second row: Debby Phelps, Sherie Lilly, Brenda Stegall, Sue Herriott, Sandra Irons, Nita Appleby, Barbara Brumbaugh, Dianne Stewart; Third row: Joanne Smith, Frances Mercer, Barbara Curry, Cheryl Manley, Gail Sutherland, Marilyn Jones, Margaret Tuman, Cathy Weeks, and Gloria Edwards.

Scholastic Letter Students Honored

SCHOLASTIC LETTER CLUB MEMBERS are FIRST ROW: Nancy Snyder, Sue Capin, Eddie Steadley, Ruben Noguera; SECOND ROW: Shelley Travers, Becky Corwin, Kelly Warren, Paulette Amberg; THIRD ROW: Janet Stanks, Joan White, John Polk, and Lynn Curtis.

The Scholastic Letter Club was organized for the purpose of honoring students for their outstanding scholastic achievements. In order to be eligible for membership, students must meet the following requirements: Be on the Honor Roll two times out of the three grading periods and on Honorable Mention once.

Among the activities of the club were the donation of the new flag on the Charlotte Junior High campus and the organization of a food campaign for needy families. The social activities included the sponsoring of teen dances for the students of the junior high.

THE OFFICERS OF S. L. C. are Eddie Steadley, President; Ruben Noguera, Vice President; Sue Capin, Secretary; and Nancy Snyder, Treasurer.

A JUNIOR HIGH STUDENT, eager to improve her skills, works diligently during an achievement test, striving to earn membership in the Scholastic Letter Club.

Jr. Student Council Plans Activities

The Student Council of Charlotte Junior High attempts to help mold adolescents into discriminating and thoughtful citizens. Without adequately directed and properly planned activities, good citizenship cannot be expected to grow. The Student Council works hard planning these activities for the benefit of the school.

This year, such projects as selling school pennants and showing a feature length film to the entire junior high have kept the council busy. The proceeds from these money-making projects have gone toward the distribution of Thanksgiving baskets to needy families in Charlotte County. The council also undertook a project to provide the school with a calendar of events and a display of the Hurricane symbol. The project was financed with the profits from a second film which was shown to the school.

This year's Student Council has greatly increased the tempo of school activities and has been an important link between the students and the government of their school.

STUDENT COUNCIL officers Shelly Travers, Paulette Amberg, Randy Singletary, and Sammy Vittoria discuss meeting plans with sponsor, Mr. Robert Hardy.

EXECUTIVE COUNCIL MEMBERS Linda Muson, Joan White, Cindy Walker, Nancy Snyder, Edna Steadley, Paulette Amberg, Shelly Travers, Samuella Vittoria, and John Leach pose proudly beside Thanksgiving baskets for the needy.

MEMBERS OF JUNIOR STUDENT COUNCIL are Sammie Vittoria, Shelly Travers, Elisha Barksdale, Joan White, Margie Kaufman, Dixie Hill, Patty Kaye, Roda Hilenski, Cindy Walker, Susan Jones, Margaret Stephens, Charlotte Roadman, Becky Setliffe, Melvine Matthews, Carmen Racioppi, Butch Midgett, John Leach, Mike Barley, Bill Allender, Eddie Steadley, Becky Corwin, Nancy Snyder, Robert Barrington, Karen Naskale, Carol Seward, Charlotte Eaton and Laura Smith.

MEMBERS are Gail Aucompaugh, Nannette Hays, Enid McKenzie, Dixie Sindedecker, Carol Seward, Betty Duffy, Carol Campbell, Vickie Bottomly, Mary Alice Mickler, Nancy Pat Lane, Betty Ann Burke, Carol South, Roberta Wilson, Rita Parker, Sheryl Wolfram, Polly Ann Knowlton, Margie Kaufman, Melynda Clark, and Cheryl Hankison.

Junior Future Homemakers of America

A MEMBER OF FUTURE NURSES has the chore of doing dishes.

The Future Homemakers of America is a national organization of girls studying homemaking in secondary schools. As an integral part of the program of Home Economics in the schools it offers an opportunity for the future development of pupil initiative in planning and carrying out activities related to homemaking. The purposes of F.H.A. are to work toward better home and family living, to promote international good will, to emphasize the importance of home and community life, and to create an interest in Home Economics.

Some of the ideals of the club, stressed by their advisor, Mrs. Carolyn King, include the familiarization of the girls with "degrees of achievement," and work toward Junior Homemaker degrees.

F. H. A. OFFICERS are Cheryl Hankison, Historian; Lynn Wilson, Parliamentarian; Sheryl Wolfram, President; Enid McKenzie, Vice President; and Rita Parker, Secretary.

Future Nurses Study Medical Careers

MRS. FRIEDA FITE SERVES AS AN ADVISOR to the Future Nurses in addition to her duties as school nurse.

FUTURE NURSES OFFICERS ARE Caroline Mooney, Treasurer; Laura Eastman, Sergeant at Arms; Maggie Guzman, President; Diana Hayslip, Vice President; and Anna Jean Johnson, Secretary.

The Future Nurses of America began their club activities with a talk by the Charlotte County Public Health Nurse, Mrs. Wilda White, about careers in the medical field. During the following meetings, films on nursing, maturity, and human heredity, were shown.

The club is one of the most active at CJHS, with numerous money making projects, including bake sales and car washes. At Christmas time the members presented stuffed animals to Charlotte Community Hospital for the pediatrics ward. For Easter, club members made and filled Easter baskets for the Sunland Training Center. During this time other speakers addressed the club and members enjoyed films on bacteria and medical technology. At the end of the year, the Future Nurses hoped to present the school with an appropriate gift purchased with money raised by various club activities.

F.N.A. MEMBERS are (first row) Carol South, Anna Jean Johnson, Laura Eastman, Maggie Guzman, Diana Hayslip, Caroline Mooney, Charlotte Eaton; (second row) Huellen Mobley, Jenny Smith, Carol Campbell, Christine Pascal, Vickie Bottomly, Betty Burke, Brenda Harshman, and Dorothy Kaufman.

Jr. Block "C" Honors Letter Winners

MEMBERS OF JR. BLOCK "C" are Nancy Gaskill, Mary Keithly, Joan White, Kim Crosland, Sidney Johnson, Jim Savasuk, John Connolly, Maureen Gallagher, Dyann Moody, Polly Knowlton, Gary Field, Mike Dwyer, Randy Nolan, John Polk, John Riggs, Saul Esparza, Jim Birchenough, Stan Lowe, Scott Arnold, John Gay, Harold Wilkie, Marc Laine, Norman Fiedler, Earl Crump, Gary Moran, John Magee, Ken Crawford, Terry Bromberk, Bruce Wright, and Richard Raker.

OFFICERS OF JR. BLOCK "C" ARE John Connolly, secretary-treasurer; Jim Savasuk, president; and Sidney Johnson, vice-president.

The Junior Block "C" is a club made up of students in Charlotte Junior High who have received letters in football, basketball, baseball, track, or cheerleading. Since membership must be earned, it is considered an honor to be a member of Block "C".

The club plans sports events and supports all athletic programs at Charlotte Junior High. A trophy to honor the most outstanding athlete each year is donated to the school by this club.

The big social event for Jr. Block "C" is the sponsoring of a dance for the entire student body. A record hop was the dance given this year and a wonderful evening was enjoyed by all.

THE LARGE GROUP OF STUDENTS pictured above are all members of the Charlotte Junior High Chorus.

Chorus Learns Music Appreciation

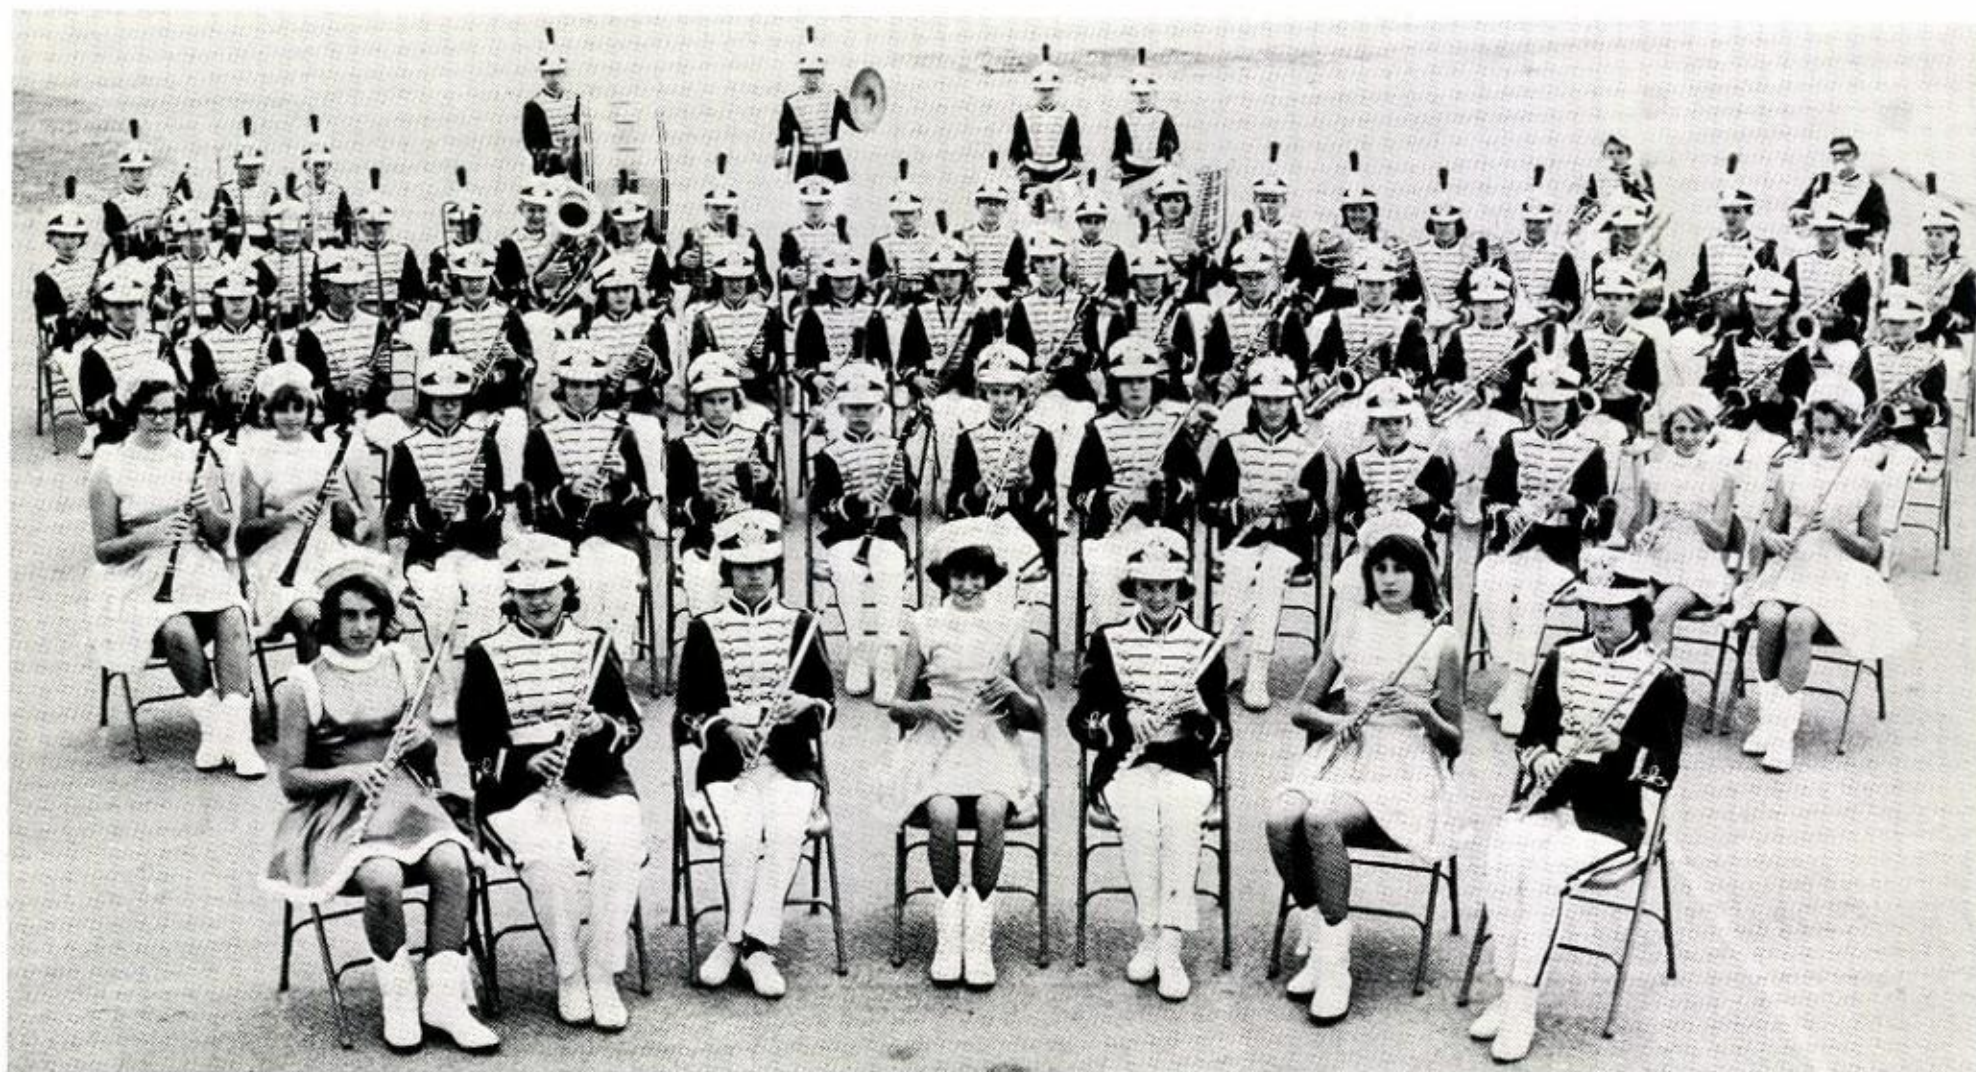

The Charlotte Junior High Chorus was formed to give those who participate a good understanding and appreciation of the world of music. The various forms of the presentation of music are stressed under this music program.

Many hours of practice, both during and after school, went into the three concerts presented this year. The Thanksgiving concert, a musical program sung in harmony, was the result of three months' preparation. The Christmas concert, rehearsed for only three weeks, showed a chorus improved in quality. The spring concert climaxed the hours of work and fun enjoyed by an eager group of young singers.

The chorus has contributed much to the cultural program of Charlotte Junior High, and the students have gained as much as they have given. They have acquired a knowledge of some of the finer points of the art of music, which will not only produce a better and more capable chorus but will also help the individual members in later life to derive pleasure from music.

CHORUS INSTRUCTOR, Mr. Bracewell, directs pianist, Becky Corwin, and members of the chorus.

The musicians of Charlotte Junior High School Band are gathered in concert.

“Hurricanes” March in Many Parades

During the two years of its existence, the Charlotte Junior High School “Hurricane” Band has rapidly developed into one of the outstanding concert bands in the state. The band’s repertoire ranges from the playing of jazz to the performance of the deep classics. The “Hurricane” Band’s many activities include participation in pep rallies, community parades and functions, performing at football games, entering and receiving outstanding laurels at the Florida Bandmasters’ Association District Contest, and the presentation of a Christmas and a Spring Concert.

Junior Honor Society Serves School

NATIONAL JUNIOR HONOR SOCIETY members are (first row) Rose Mary Koon, Janet Stanks, John Polk, Cindy Walker, Kelly Warren, Becky Setliffe, Mary Keithly, Roseanna Bradshaw, Eddie Steadley, (second row) Ruben Noguera, Gary Field, Frank Desguin, Shelley Travers, Sammie Vittoria, Joan White, Pam Gabrielsen, Nancy Snyder, and Becky Corwin.

JUNIOR HONOR SOCIETY OFFICERS are Becky Setliffe, Student Council Representative; Kelly Warren, Treasurer; John Polk, Vice President; Cindy Walker, President; Mary Keithly, Secretary; and Roseanna Bradshaw, Historian.

The Charlotte Junior High Chapter of the National Junior Honor Society was chartered five years ago. In order for students to become eligible for membership, they must be outstanding in scholarship, leadership, service, character, and citizenship.

In the spring of each year, new members are initiated into the organization during an impressive ceremony attended by the entire student body. The new members and their parents are guests at a reception following the initiation ceremony.

National Junior Honor Society members strive to help the school and community by service projects.

THIRD ROW: Bunk Hindman, Tom Isherwood, Ronnie Pressley, Bob James, Jack Rigg, Tom Pudelski, Carl Racioppi, Mike Treworgy, and Eddie Webb.

Football Pride Will Stay Alive:

TRAINER SKI HELENSKI AND MANAGER DAVID MOORE were always ready to help the players during the heated parts of practice and game.

DESPITE THE PLAYING EXPERIENCE of this year's team with fourteen lettermen returning, the Tarpons played with their backs against the wall in their first year in the White Sands Conference against the toughest competition in years.

The first two quarters of each game seemed to lag, but the half time pep-talks by Coach Hall fired up the Tarpons, who exerted their all-out-effort to regain the game; however, it was usually not enough. Tarpon strategy was mapped out by Coach Jack Hall and assistant coaches Bill Johnson and James Durrance.

Outstanding '64 players receiving honors were David James, All-Conference, first team, defensive end; Bunk Hindman and Richie Giles, All-Conference Honorable Mention.

Against teams with size and weight advantages, the 1964 team displayed true "Fighting Tarpon" spirit that gained them the respect of all their opponents.

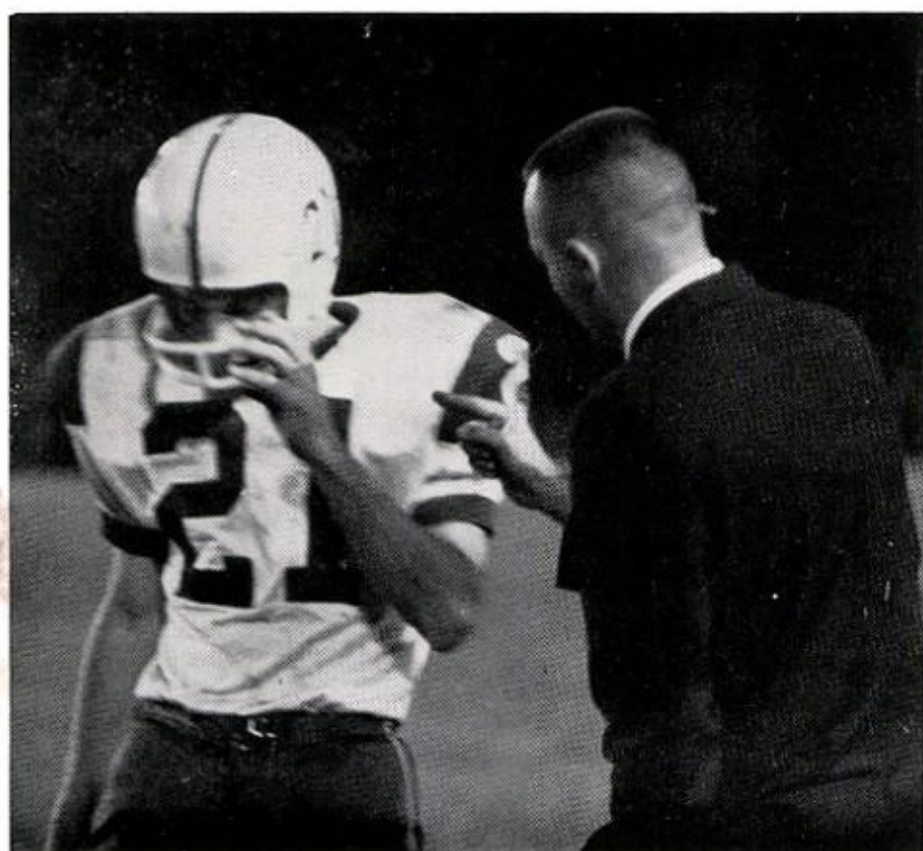

CAPTAIN RON PRESSLEY BREAKS THROUGH to lead the Fighting Tarpons to another tough game.

This Year's Fighting Tarpons

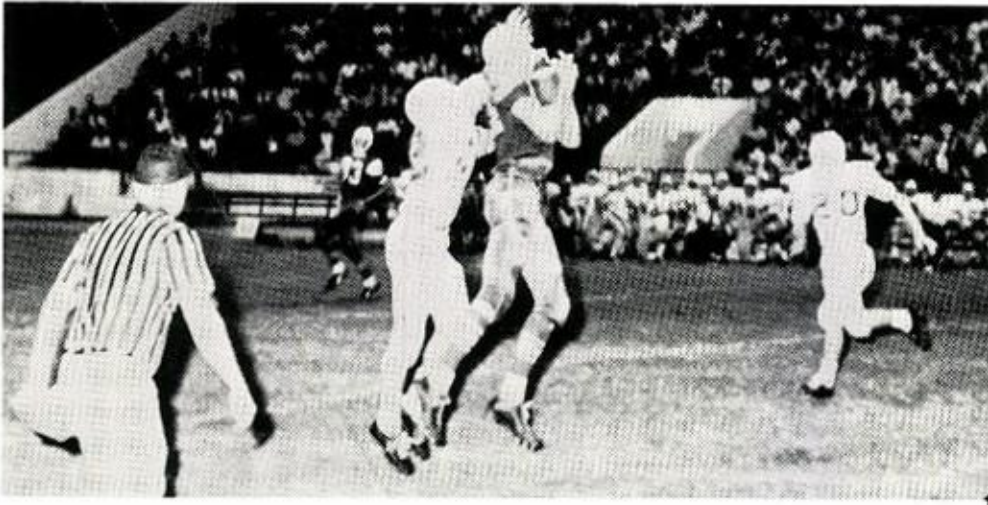

HEAD FOOTBALL COACH JACK HALL SHOWS THE STRAIN of a hard season as he gives some last minute instructions to one of the boys.

ASSISTANT COACHES BILL JOHNSON AND JIM DURRANCE go over some last minute strategy before the big game with Arcadia.

All Was Ours But

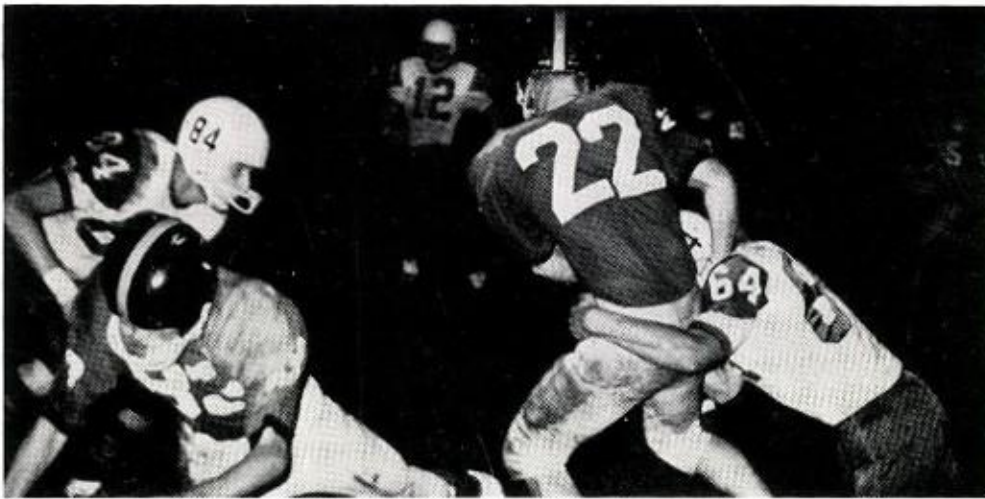

Bill James leaps high in the air to snare a pass in the season's opener against Fort Myers' Greenies. Some early season mistakes, coupled with an outstanding Green Wave team, sent the Tarpons down to a 26-0 defeat despite a dogged defensive effort by the Tarpons.

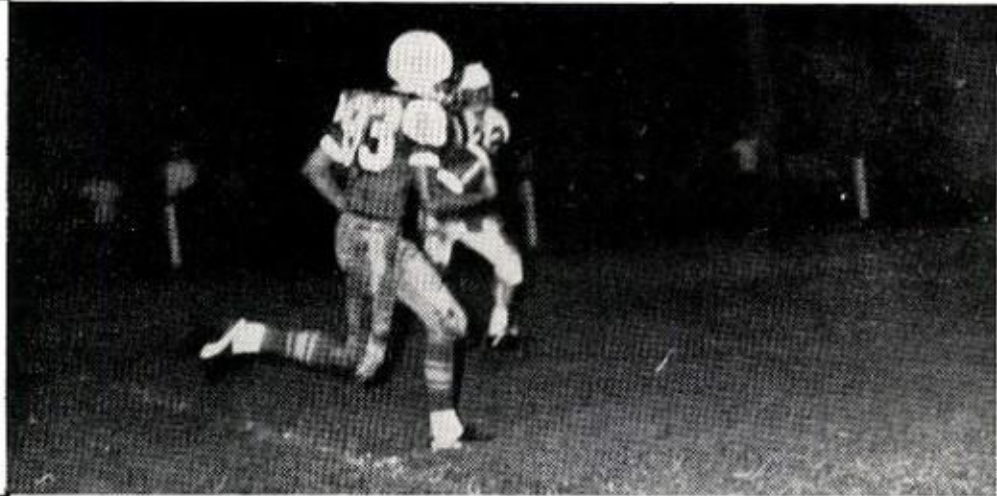

Chuck Fields fights for extra yardage against the Arcadia Bulldogs as he shifts from quarterback to fullback to sub for the injured Bunk Hindman. The Tarpons showed real come-from-behind spirit in this one, but it wound up CHS 13, "Yarborough" 13.

Richard Walker "latches on" as Bill James prepares to help bring down a Jacksonville Landon ball-carrier as the Tarpons play to their second straight deadlock: 7-7. The Fighting Tarps dominated the first half, but Jacksonville came back strong to bring about the tie. Carl Racioppi led the Tarpon attack behind the best blocking of the season.

Roger Harris heads for pay dirt in a losing effort as the Sarasota Sailors administer a 26-6 lacing to the home team. Although the CHS boys hung on and fought grimly, the superior manpower and speed of a fine Sarasota team were more than they could handle.

In a 6-6 Homecoming clash with the Naples Eagles, Bunk Hindman leads the way as Ron Middleton drives into the Eagles' line. In one of the hardest fought games of the year, the Tarpons came back from a 6-0 deficit to tie the score and then hung on as the game ended with Naples driving for a score on the CHS 2-yard line.

the Final Score

Rich Giles romps for a TD against the Palmetto Tigers. The Tarpons appeared to have this game in their pockets after coming from a 9-0 first quarter hole to take a 13-9 lead into the last four minutes, but a late drive by Palmetto sent CHS home still looking for the first win.

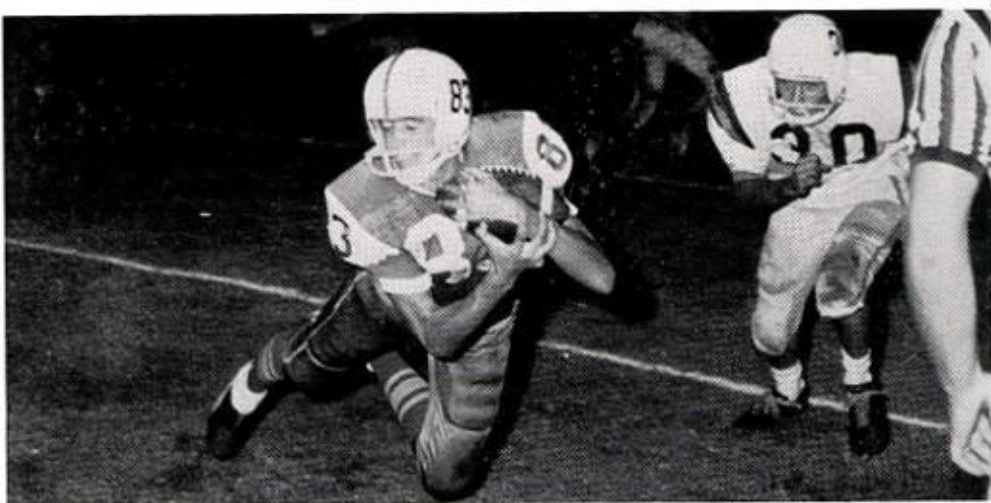

Bill James makes a desperate effort for a long Giles' aerial against N. Ft. Myers, but doesn't quite make it as the Tarpons absorb another heartbreaker: 12-6. A lackadaisical first half left the CHS battlers on the short end of a 12-0 score, and, despite their domination of the second half, they fell short of victory.

Chuck Fields scores six points for the Fighting Tarpons in the Riverview game as the Tarps saw a "quick whistle" cost them a victory. Bruce Smith scored the apparent winning touchdown on a seventy-yard run with a fumble, only to have it blown dead. The CHS boys' victory hopes died with it 7-6.

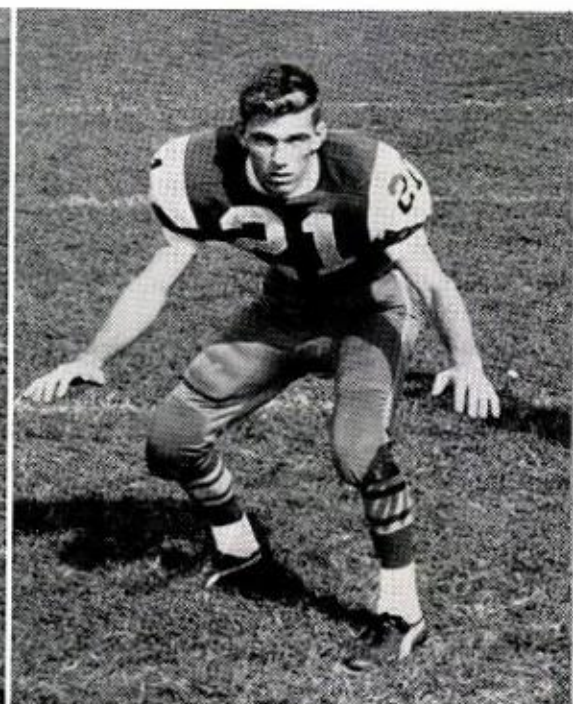

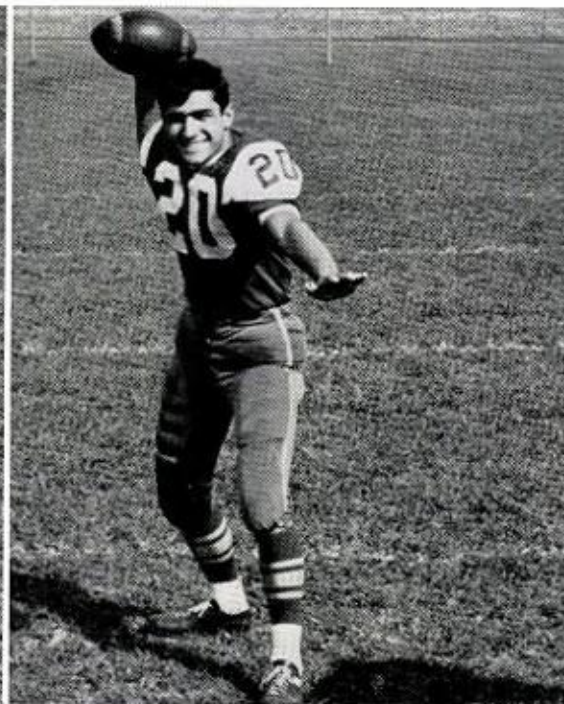

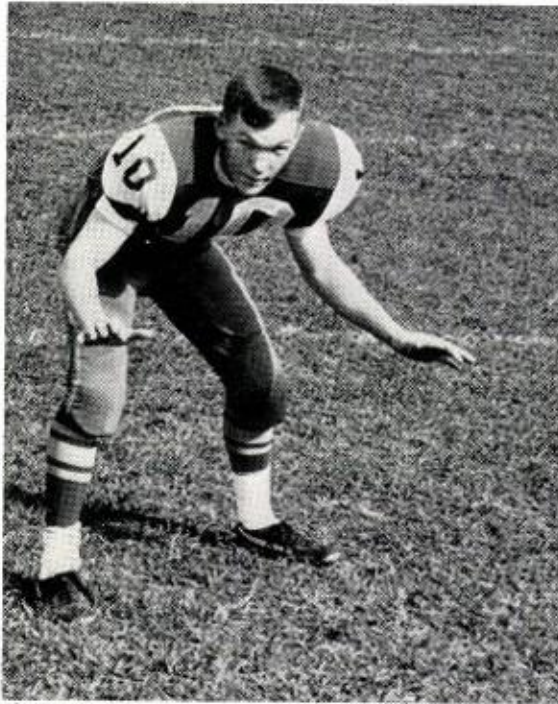

Roger Harris makes a diving catch against the Southeast Seminoles, but the injury-riddled Tarpons were unable to generate any kind of consistent offense and went down to a 16-0 defeat. The loss of Bill James, Rich Giles, and David James hurt the team. Despite valiant efforts by their replacements, Southeast would not be denied the victory.

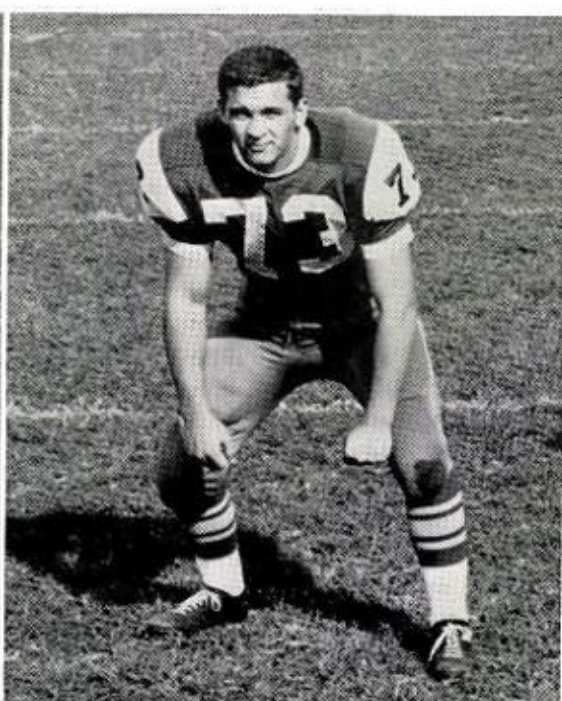

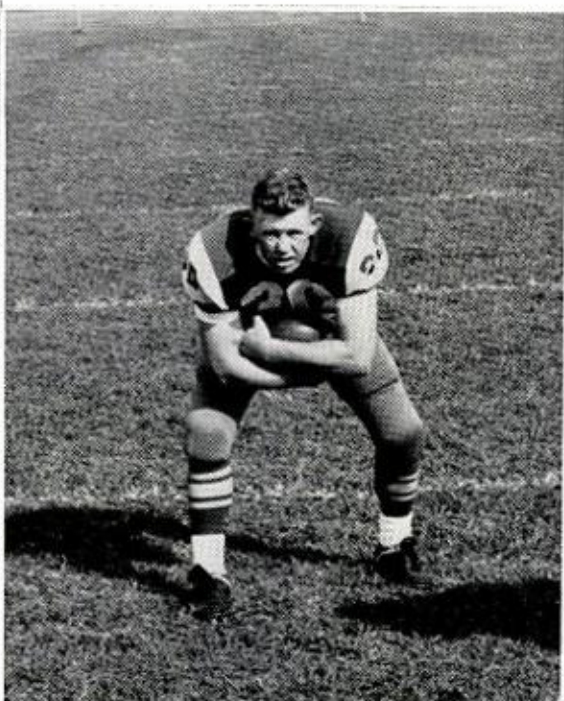

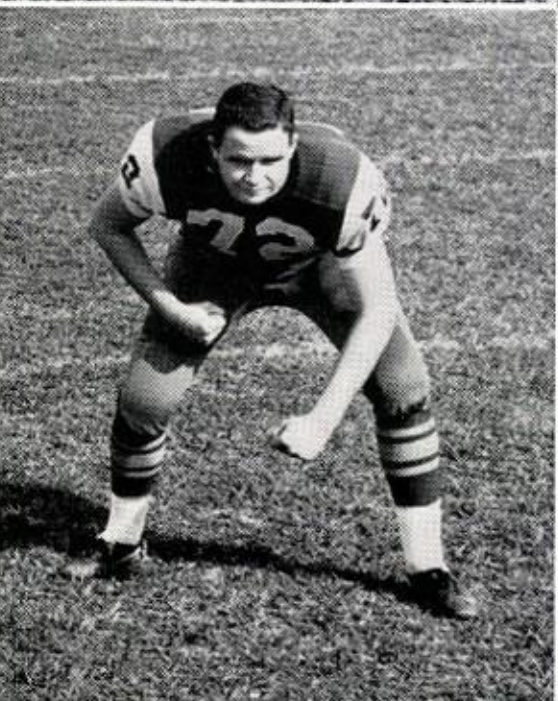

Bruce Smith hauls in a pass thrown by Chuck Fields. This was just one of many in a futile attempt to get a win on the board. The Venice Indians showed why they were regional Class A champs as they turned it on and put the Fighting Tarpons away 32-6.

A GENUINE SMILE OF JOY lights up the countenance of Pat Malone as she is crowned this year's lovely Homecoming Queen.

a Memorable Tradition

Thrills, cheers, applause, laughter, and tears of joy are all elements of that fabulous school tradition called Homecoming.

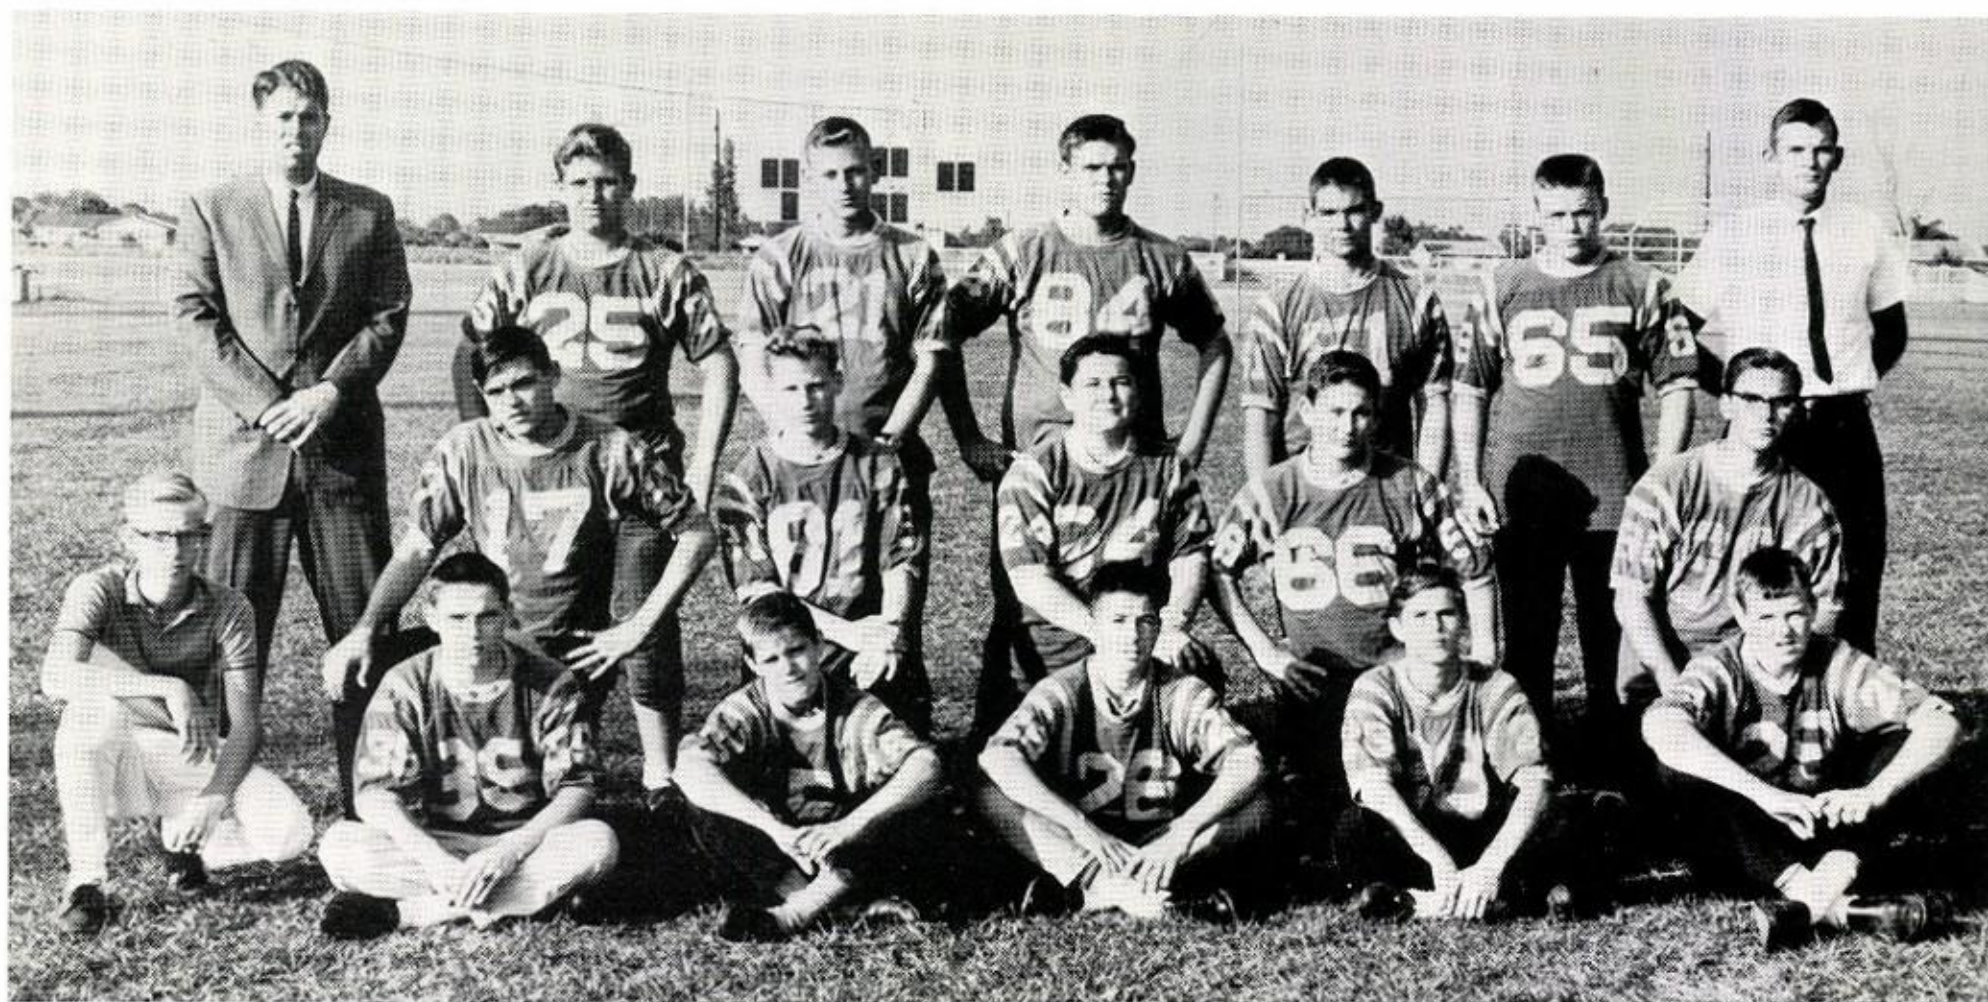

Beginning Thursday night with the rabble-rousing snake dance winding through the town streets, the students got their first feeling of the Homecoming spirit. Gathering around the roaring bonfire, they joined in the pep rally for a Tarpon victory over the Naples' "Eagles" in the Homecoming game.

The annual Homecoming parade, leading off the Friday night schedule, included the class floats on which countless hours of work had been done. Then all were off to the football game for the anxiously awaited crowning of the 1965 Homecoming Queen.

At last came the dance, to top off an exhausting but exciting Homecoming holiday, which has proven well worth keeping.

STUDENTS AND ALUMNI BOTH enjoy the music of the Cavemen while doing the latest dance at the 1964 Homecoming.

"B" Team Adds to CHS Spirit

QUARTERBACK PHIL SPARKS of the Fighting Tarpon "B" Team rounds end against the Riverview Rams. A lone blocker, Joe Reynolds, tries in vain to clear the way.

Hampered by numerous injuries ranging from broken arms to broken ankles, the Fighting Tarpon "B" Team managed to come up with a hard fought 1-5 record under the leadership of Coaches Tom Ryan and Frank Taylor.

Fine passing attacks were combined with a good running game to balance out the offense. Stubborn defensive play also helped to keep a good sized Junior Varsity football team in the game until the end.

THE REFEREE CONFERS with Dave Funk and the opposing team's captain as they go over some pre-game instructions.

Breaking school records, leading the White Sands Conference in scoring, and placing third in the Conference, provided for one of the best basketball seasons for Charlotte High in years.

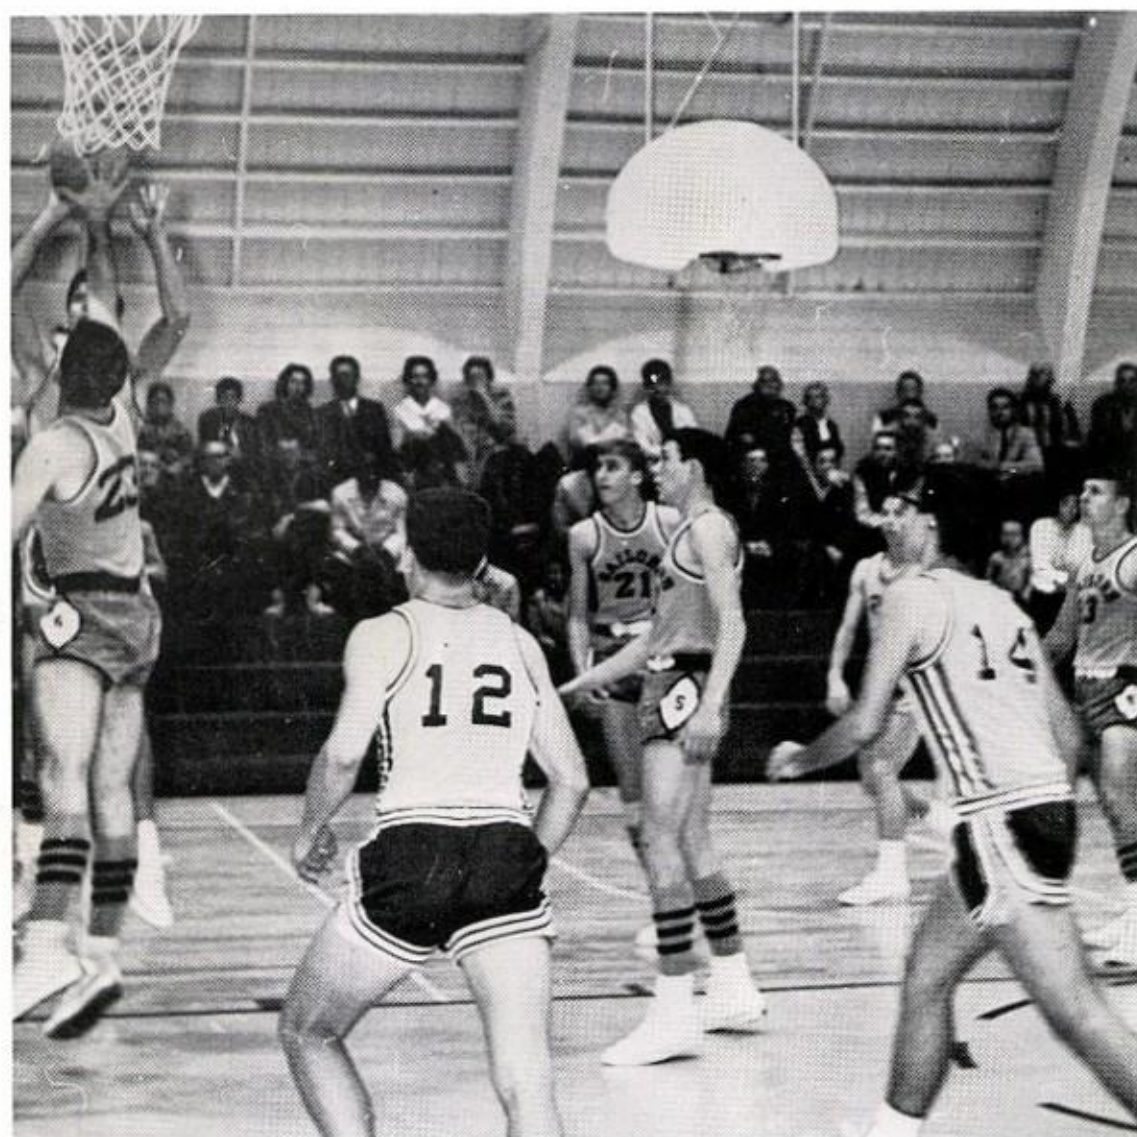

The rise in school spirit to the highest peak all year was due to exciting games, the most exciting of all being the defeat of arch-rival Ft. Myers. Topping the Green Waves, Dave Funk was able to break a school record and score 43 points helping him to place first in the Conference in scoring and to be named to All State.

The tremendous playing ability of Bill James, Jerry Pabon, Chuck Fields, and Bruce Smith combined to give a fine example of teamwork and cooperation backed up by Jim Apple, Larry Leonard, Dave Best, Gordon Eichelberger, and Ken Cegielski.

COACH TOM RYAN OF THE "B" TEAM gives the last word to Ron Middleton just after a crucial time out.

Showing great new prospects for next year's varsity, the Tarpon "B" team for 1965 played a rugged season to come up with a record to rival the varsity.

Making the most of their playing ability, these Tarpon Cagers pulled through many close games to come out on top in the last crucial seconds. Always creating excitement for the spectators, these boys put in hours of practice and improved continually under the direction of Coach Tom Ryan.

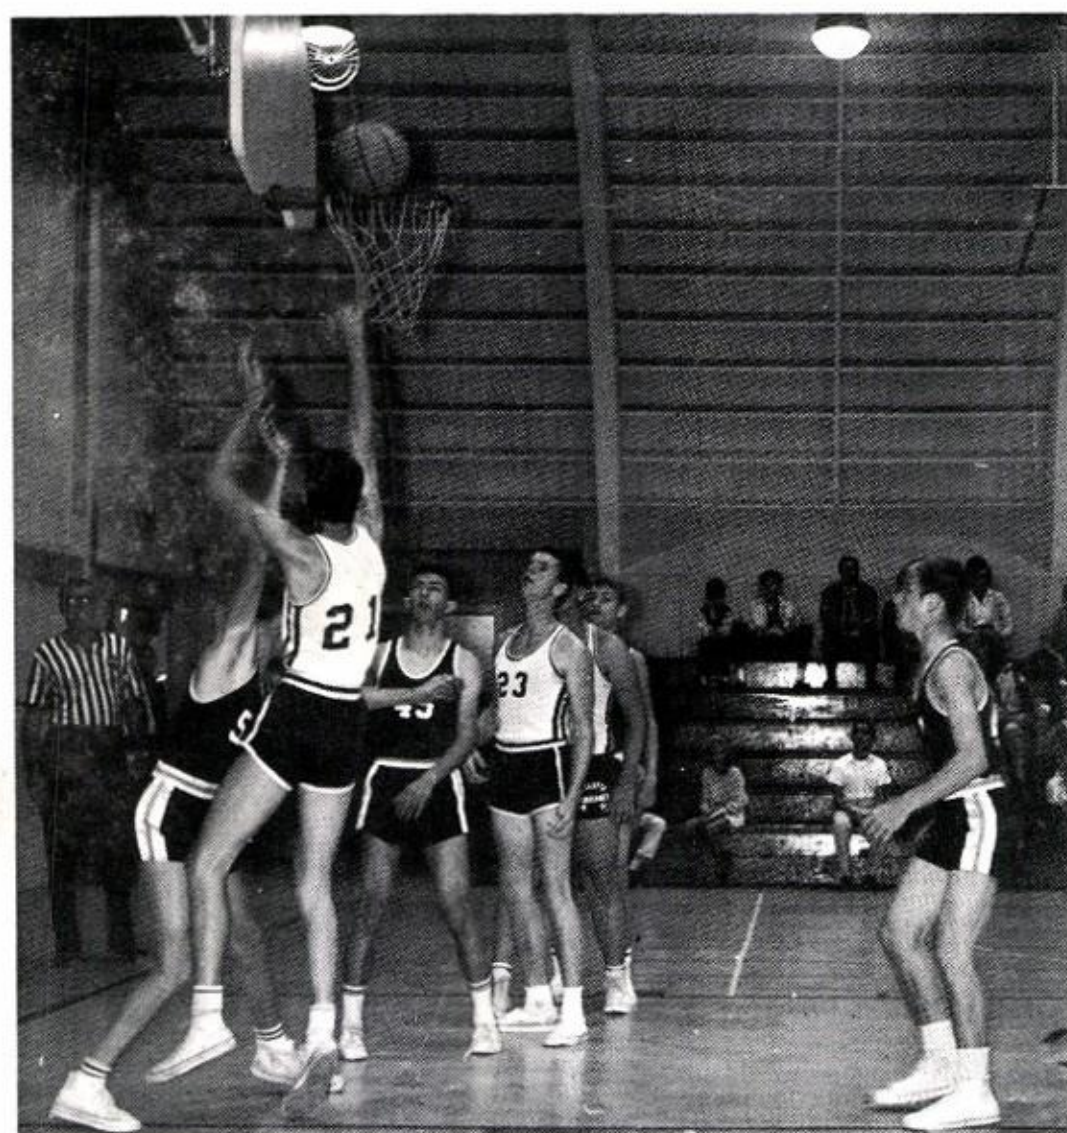

MID-WAY THROUGH THE SEASON, Captain Dave Best of the "B" team was promoted to the varsity. He proved to be a great asset to the "A" team.

Three top stars for the Junior High team were Hans Menzer, George Rozelle, and Tom Boysen.

Spring Brings National

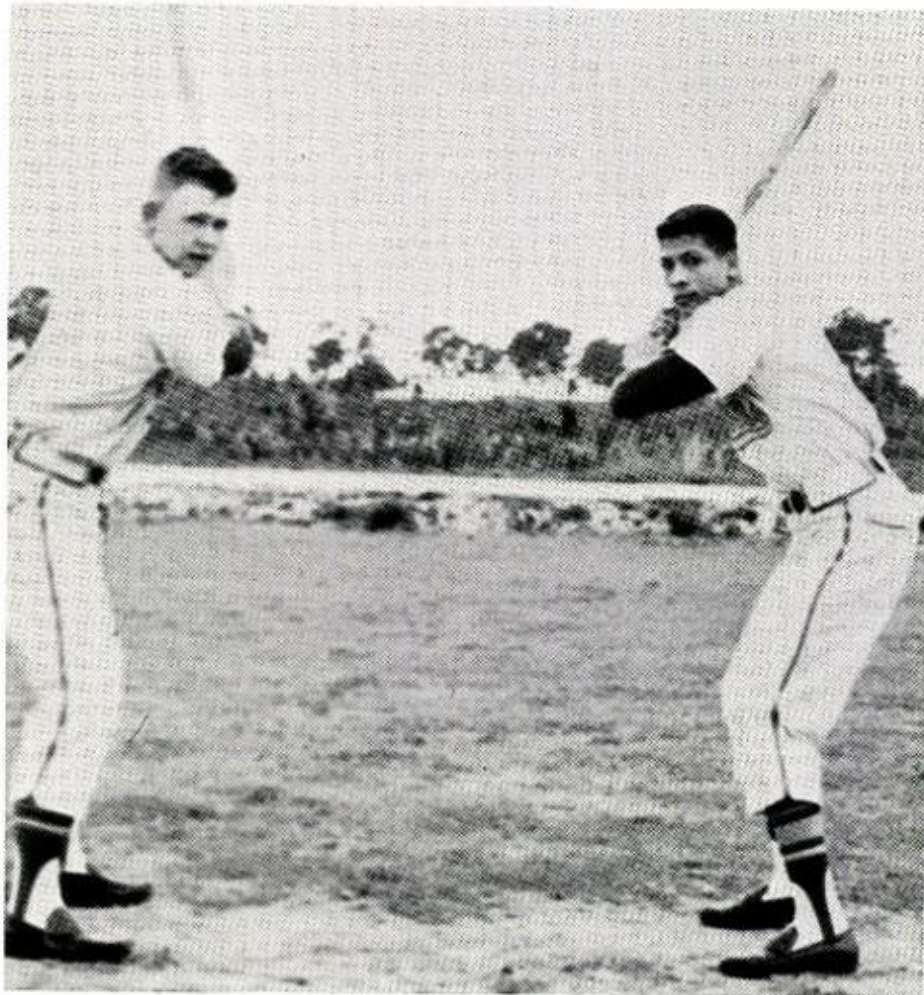

CHARLOTTE HIGH'S NEW INFIELD is one of the best playing surfaces in the Conference.

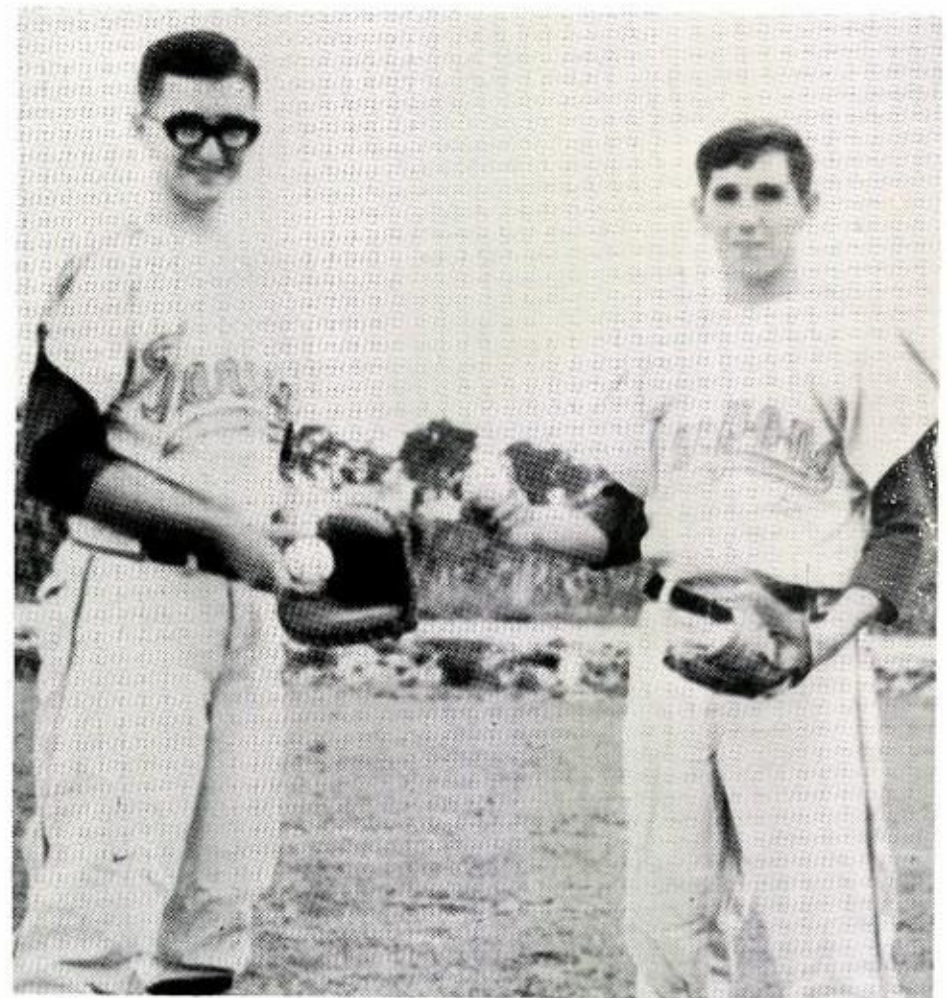

The Charlotte High Fighting Tarpons' baseball team, although losing almost all of its pitching staff this year, retained six fine lettermen. Because of the loss of two key players, the Tarpons were aching for pitchers. David James, Jack Rigg, and David Randolph took up where last year's pitchers left off and did a fine job. These boys, though lacking in pitching experience, proved that they had what it takes.

Whatever the Tarpons lacked in pitching they made up for with hitting. The team had several .300 hitters.

The season's competition was centered mainly around the newly formed White Sands Conference, though the Tarpons faced their arch-rivals, Fort Myers Senior High.

BUNK HINDMAN AND JERRY PABON were two of the "Big Sticks" for the Tarpons this year.

DAVE FUNK AND LARRY LANDRY were two of the Tarpons' best fielders.

New Track

MIKE ARNOLD PRACTICES his meet-winning form in the early days of training.

CAPTAIN CARL RACIOPPI, two-time member of the state track team paced this year's team.

Boasting its largest turnout in recent years is this year's Charlotte High track team. The group, numbering some thirty-four men, was able to hold its own meets on Charlotte's new quarter-mile asphalt track, which is said to be one of the best in the conference.

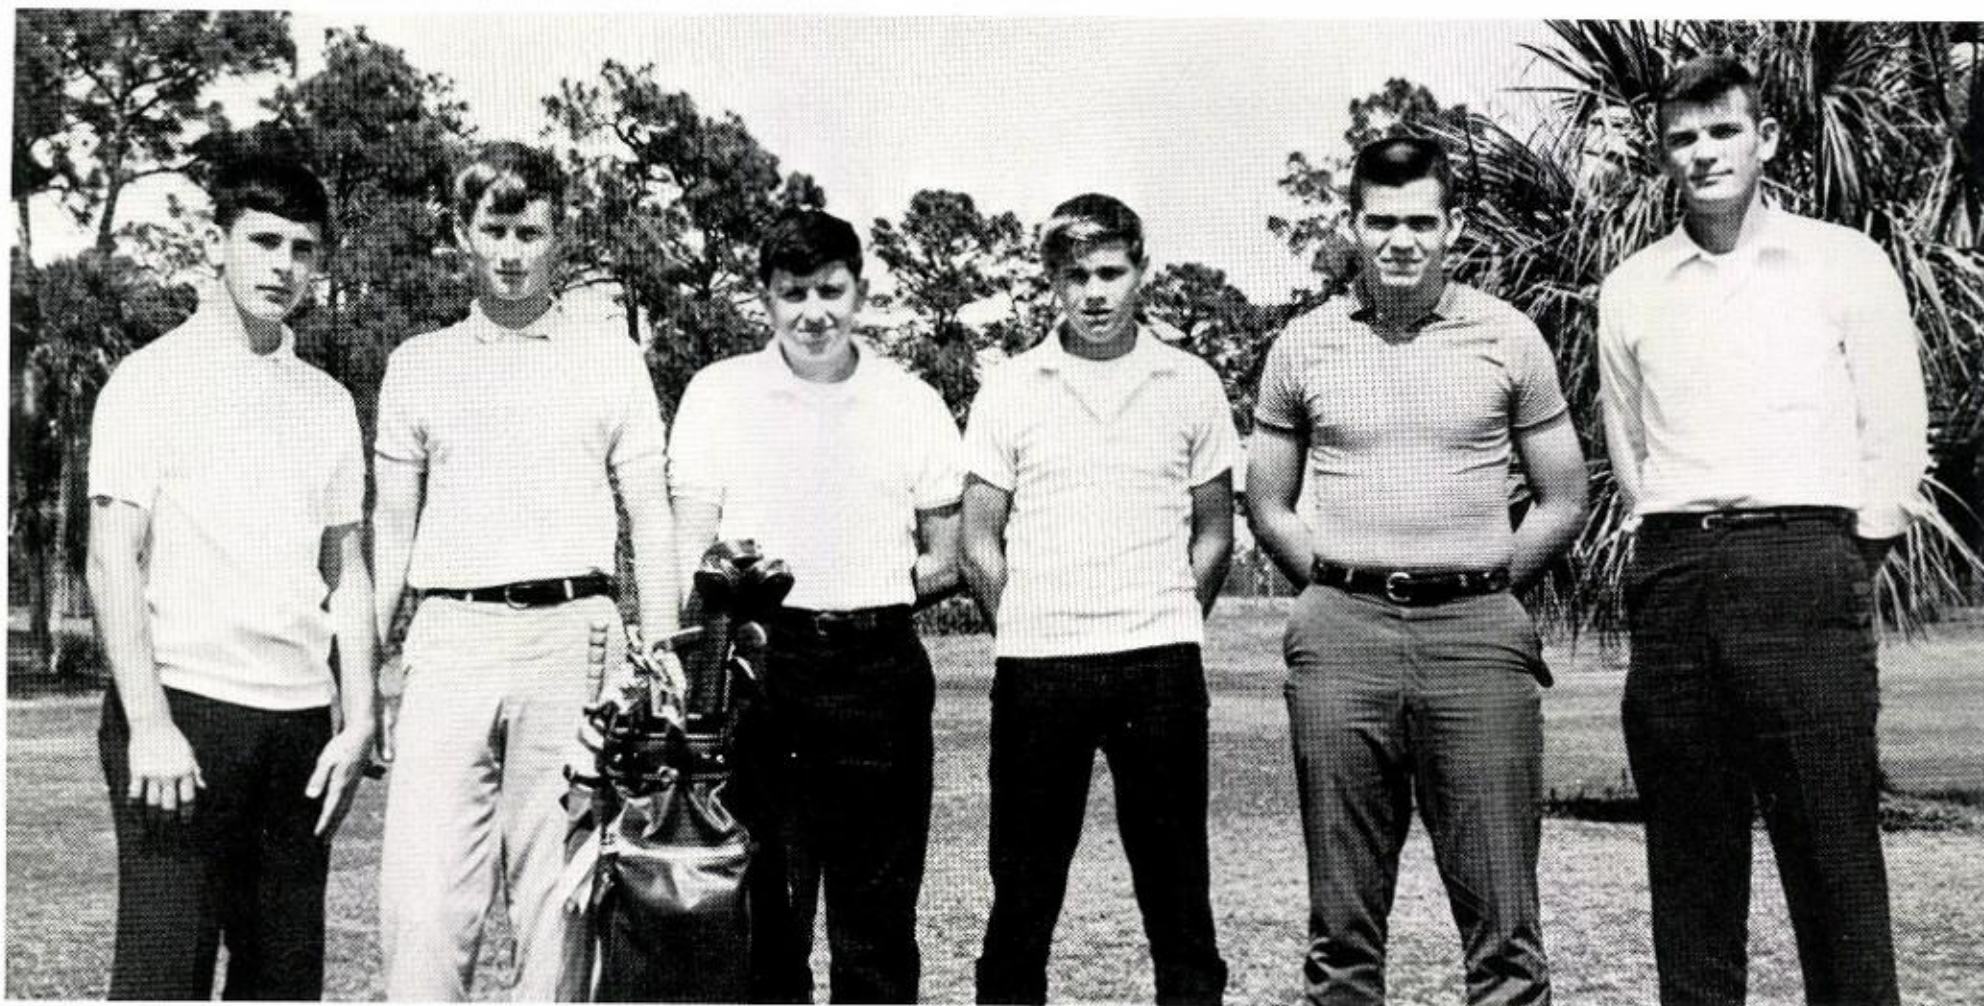

Due to increased depth, this year's cindermen had a good chance to win the conference championship. Pacing the squad was Carl Racioppi, a three-year letterman, who has gone to the state meet at Gainesville for the last two years. Backing up Carl were lettermen Richard Walker, shotput; Ron Middleton, dashes; George Dearborn, mile; Mike Arnold, hurdles; Reggie Jones, 880; and Darrell Hardy, hurdles.

CINDERMEN TAKE THEIR MARK with muscles tightened, as they prepare to begin a 220-yard sprint.

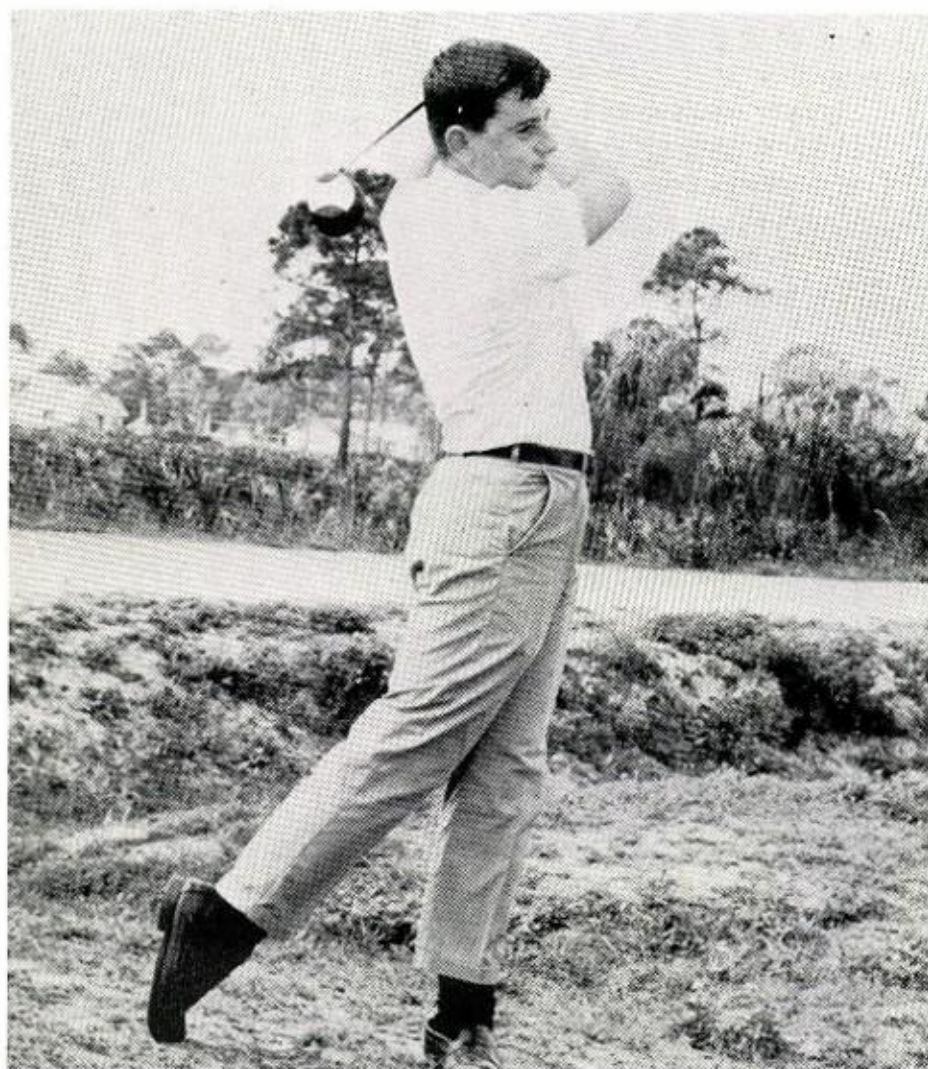

THIS YEAR'S DISTANCE MEN, Darrell Hardy, Isaac Thomas, and George Dearborn, practice to improve their stamina and increase their wind.

LEFT TO RIGHT: Dan Glavas, Buddy McFee, Jody Bicking, Lane Diedrick, Eddie Webb, and Coach Frank Taylor.

Golf Team Tees Off

THE NUMBER ONE man on the Golf team, Jody Bicking, prepares to tee off on not only the ball but also the opponent.

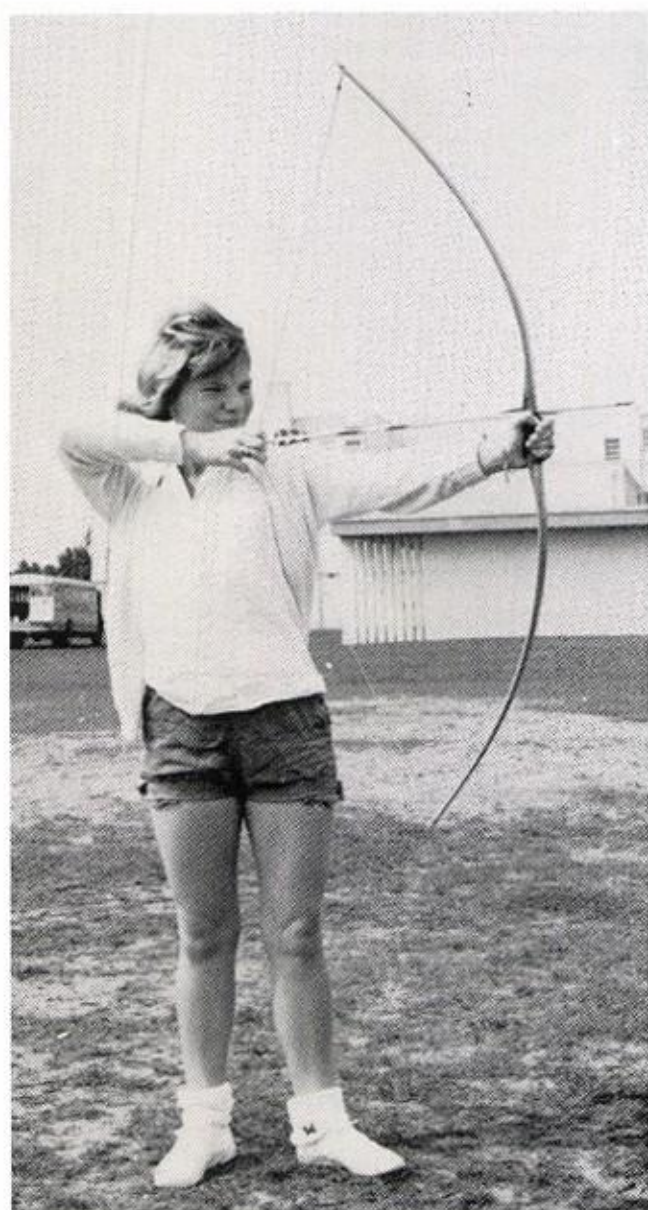

Amid sand traps, water hazards, and rough our persistent golf team keeps on swinging to come up with fine scores to rival the professionals. If love of the game is any sign of a fine golfer, these boys all could have great futures as pros.

With only one letterman returning and the team made up entirely of sophomores and juniors, time is on their side for improvement and perfection possibly to produce a state winning team.

DEBBIE SMITH AND LINDA CHAPMAN EXCHANGE THE BATON in the 880-yard relay.

THE UMPIRE, MARY KEITHLEY, calls "batter up" as Nan Florence steps to the plate.

PEGGY THOMPSON PREPARES TO SHOOT a free throw as teammates and opponents wait to catch the rebound in a girls' intramural basketball game.

Cheerleaders generate energy that sets off a spark of enthusiasm in both players and spectators. The spark ignites the spirit of Charlotte High, fanned and kept lit by constant determination to win and pride in our team.

Seven such cheerleaders are Judee Smoak, Linda Johnson, Cheryl McCort, Candy Smith, Cathy Pinet, and their captains, Sheila Galagher and Mary Beth King.

Supervised by Miss Sally Jo Baldwin and Miss Barbara Deaton, skits and pep rallies put on by the cheerers bolster spirit and encourage students to participate in school activities. The girls are kept busy cheering at the numerous games but find it an important part of school life.

Lively Addition to CHS

ONE OF THE "B" TEAM CHEERERS that was elevated to aid the varsity was energetic Bonnie Bosman.

A PREVIOUS MEMBER OF THE "B" TEAM CHEERLEADERS, Linda Wilson, was advanced to the varsity, part way through the season.

TOP TO BOTTOM: Bonnie Bosman, Jo Hendrix, Sally McDine, Louisa Hilenski, Cathy Weeks, Martha Lowe, and Linda Wilson.

A lively new addition to the spirit of CHS is the newly formed "B" team cheerleading squad.

The "B" teams have had no cheerleaders of their own until this year when this now permanent group was started. These girls added spirit and enthusiasm for both the spectators and the players at the Junior Varsity football and basketball games.

LESLIE CUMMINS, THE "B" TEAM ALTERNATE, was promoted to regular service when Linda Wilson moved to the varsity.

Jr. Cheerleaders Promote Spirit

THE TWO LIVELY CAPTAINS of this year's Hurricane cheerleaders are Kim Crosland and Joan White.

Stirring up the storms of enthusiasm are the Hurricane cheerers for '65. Under the direction of Miss Portis, these girls show unending energy at football and basketball games by leading the crowds in cheers to spur on the Hurricane players.

MISS PORTIS, THIS YEAR'S CHEERLEADING SPONSOR, shows Frances Jeffries one of the fundamentals of cheering.

LEFT TO RIGHT, FRONT ROW: Nancy Gaskill, Frances Jeffries, Polly Knowlton. SECOND ROW: Joan White, Dyann Moody. THIRD ROW: Maureen Gallagher, Mary Keithly. BACK ROW: Kim Crosland.

155 Seniors End Three-Year Journey

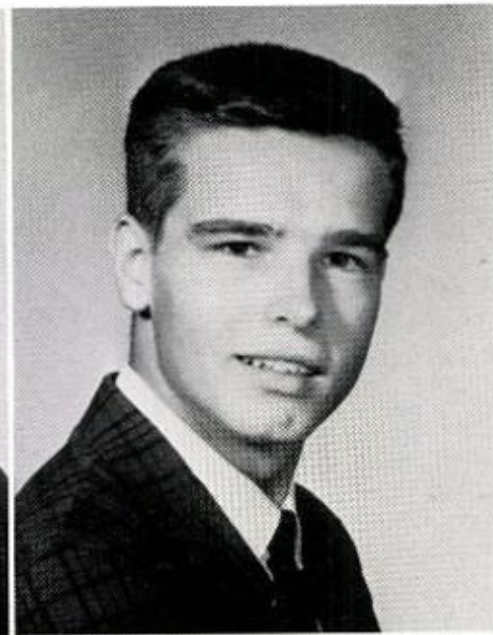

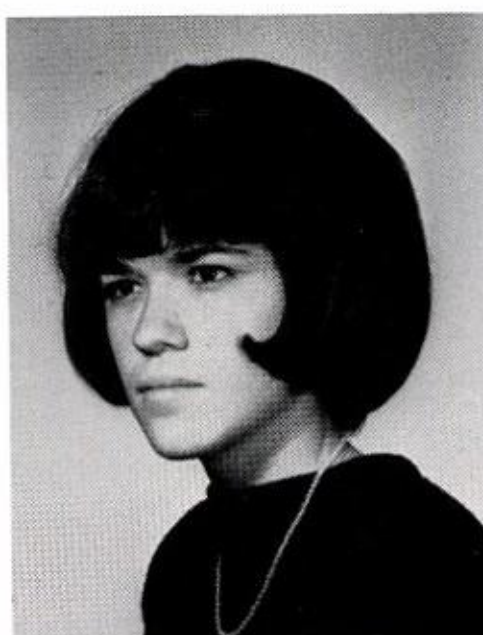

THE SENIOR CLASS OFFICERS ARE Barbara Black, Treasurer; Donna McCullough, Secretary; Sharon Kristich, Vice President; and Judee Smoak, President, who led their fellow classmates on to making this year an important page in their lives and one they will long remember.

Seniors...one hundred fifty-five King and Queen Silver Tarpons end a three year journey...will become new graduates of Charlotte High on June 3...order diploma covers...get fitted and measured for caps and gowns...choose their class song, flower, motto, and colors...will always remember that their last high school football game was filled with anticipation...fear going out into the world alone...enjoy being the upper classmen...will never forget the great times had in high school...were honored at the Junior-Senior Prom...had some serious moments in Senior Social Studies...begin thinking of future plans...compete in scholastic tests...make a record by becoming the largest class to graduate from Charlotte High...participate wholeheartedly in extracurricular activities...set a precedent by electing the first Miss Charlotte High...are ready to face challenges awaiting them...share familiar interests...help develop the spirit of Charlotte...make adjustments for college or work...show eagerness to help fellow classmates...stand on the threshold to adulthood...select senior superlatives...serve their school with pride and enthusiasm...wish the Juniors the best of luck...are sad to leave Charlotte High.

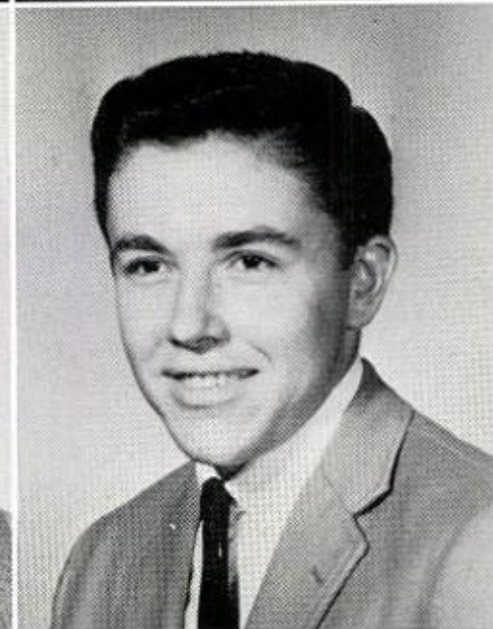

IN SPITE OF THE SOPHISTICATION OF SENIOR-ITIS, Glorie Anna Bennett and Mike Arnold take time from the busy schedule that accompanies seniorhood.

In Memoriam

MIKE FOSTER

"We all know that something is eternal. Everybody knows in their bones that something is eternal, and that something has to do with human beings. All the greatest people who ever lived have been telling us that for five thousand years and yet you'd be surprised how people are always letting go of that fact. There's something way down deep that's eternal about every human being."

RESEARCH BEGINS EARLY FOR JUNIORS. Mary Beth King demonstrates application of skills in the use of the library files.

Sophomores . . . one hundred ninety-nine "young" Tarpons . . . like other students, enjoy athletic events, especially football games . . . anticipate their first homecoming . . . look forward to Student Government elections and the use of county voting machines . . . express a fear over becoming the "little" people in high school after having been the oldest in the junior high . . . show their capability by putting over a successful magazine campaign . . . decorate the cafeteria for their "Bunny Hop" . . . remember the study of *Silas Marner* and *Julius Caesar* . . . thrill at being a student at Charlotte.

THESE CARS MIGHT HAVE A LOT OF TRUNK SPACE, but, really, President Joe Reynolds just can't seem to close this one with Treasurer Bonnie Bosman, Vice President Pam Croslan, and Secretary Carolyn Snyder in it.
